A Clean, Well-lighted Place

A Clean, Well-Lighted Place *Vintage*

Here is Jon Krakauer’s portrait of the iconoclastic architect Christopher Alexander, whose revolutionary human-centered approach has shaken the foundations of modern architecture. Krakauer delves into Alexander’s life and career, from his theories on a timeless “pattern language” that could be used to create buildings and towns that were simultaneously more livable and more beautiful, to his belief that architecture is correctly viewed as a powerful social instrument; from his on-site drafting techniques to his design process that, like a cocoon, shapes a building from the inside out. With trademark rigor, nuance, and insight, Krakauer powerfully draws us into Alexander’s singular vision of human-centered design—one in which people reclaim control over their built environment.

Excerpt: "Big Two-Hearted River" is a two-part short story written by American author Ernest Hemingway, published in the 1925 Boni & Liveright edition of In Our Time, the first American volume of Hemingway's short stories. It features a single protagonist, Hemingway's recurrent autobiographical character Nick Adams, whose speaking voice is heard just twice. The story explores the destructive qualities of war which is countered by the healing and regenerative powers of nature. When it was published, critics praised Hemingway's sparse writing style and it became an important work in his canon. The story is one of Hemingway's earliest pieces to employ his Iceberg Theory of writing; a modernist approach to prose in which the underlying meaning is hinted at, rather than explicitly stated. "Big Two-Hearted River" is almost exclusively descriptive and intentionally devoid of plot. Hemingway was influenced by the visual innovations of Cezanne's paintings and adapted the painter's idea of presenting background minutiae in lower focus than the main image. In this story, the small details of a fishing trip are explored in great depth, while the landscape setting, and most obviously...

Classic Krakauer

Essays on Wilderness and Risk *Anchor*

Death in the Afternoon *Simon and Schuster*

Still considered one of the best books ever written about bullfighting, Death in the Afternoon is an impassioned look at the sport by one of its true aficionados. It reflects Hemingway's conviction that bullfighting was more than mere sport and reveals a rich source of inspiration for his art. The unrivaled drama of bullfighting, with its rigorous combination of athleticism and artistry, and its requisite display of grace under pressure, ignited Hemingway's imagination. Here he describes and explains the technical aspects of this dangerous ritual and "the emotional and spiritual intensity and pure classic beauty that can be produced by a man, an animal, and a piece of scarlet serge draped on a stick." Seen through his eyes, bullfighting becomes a richly choreographed ballet, with performers who range from awkward amateurs to masters of great elegance and cunning. A fascinating look at the history and grandeur of bullfighting, Death in the Afternoon is also a deeper contemplation of the nature of cowardice and bravery, sport

and tragedy, and is enlivened throughout by Hemingway's sharp commentary on life and literature.

A Clean, Well-lighted Place

A Private View of Sweden

The Waitress Was New *Archipelago*
Pierre is a veteran bartender in a café in the outskirts of Paris. He observes his customers as they come and go – the young man who drinks beer as he reads Primo Levi, the fellow who from time to time strips down and plunges into the nearby Seine, the few regulars who eat and drink there on credit – sizing them up with great accuracy and empathy. Pierre doesn’t look outside more than necessary; he prefers to let the world come to him. Soon, however, the café must close its doors, and Pierre finds himself at a loss. As we follow his stream of thoughts over three days, Pierre’s humanity and profound solitude both emerge. The Waitress Was New is a moving portrait of human anguish and weakness, of understated nobility and strength. Lire est un plaisir describes Dominique Fabre as a "magician of the everyday."

Snows of Kilimanjaro and Other Stories *Simon and Schuster*

Selected from Winner Take Nothing, Men Without Women, and The Fifth Column and the First Forty-Nine Stories, this collection includes “The Killers,” the first of Hemingway's mature stories to be accepted by an American periodical; the autobiographical “Fathers and Sons,” which alludes, for the first time in Hemingway's career, to his father's suicide; “The Short Happy Life of Francis Macomber,” a “brilliant fusion of personal observation, hearsay and invention,” wrote Hemingway's biographer, Carlos Baker; and the title story itself, of which Hemingway said: “I put all the true stuff in,” with enough material, he boasted, to fill four novels. Beautiful in their simplicity, startling in their originality, and unsurpassed in their craftsmanship, the stories in this volume highlight one of America's master storytellers at the top of his form.

New Critical Approaches to the Short Stories of Ernest Hemingway *Duke University Press*
DIVWith an Overview by Paul Smith and a Checklist to Hemingway Criticism, 1975-1990 New Critical Approaches to the Short Stories of Ernest Hemingway is an all-new sequel to Benson’s highly acclaimed 1975 book, which provided the first comprehensive anthology of criticism of Ernest Hemingway’s masterful short stories. Since that time the availability of Hemingway’s papers, coupled with new critical and theoretical approaches, has enlivened and enlarged the field of American literary studies. This companion volume reflects current scholarship and draws together essays that were either published during the past decade or written for this collection. The contributors interpret a variety of individual stories from a number of different critical points of view—from a Lacanian reading of Hemingway’s “After the Storm” to a semiotic analysis of “A Very Short Story” to an historical-biographical analysis of “Old Man at the Bridge.” In identifying the short story as one of Hemingway’s principal thematic and technical tools,

this volume reaffirms a focus on the short story as Hemingway’s best work. An overview essay covers Hemingway criticism published since the last volume, and the bibliographical checklist to Hemingway short fiction criticism, which covers 1975 to mid-1989, has doubled in size. Doing Our Own Thing

The Degradation of Language and Music and Why We Should, Like, Care *Penguin*
“McWhorter is a gifted young linguist who seeks to understand the change in our verbal habits rather than just bemoan it, and his analysis is insightful, richly documented and, yes, eloquently written.”—Steven Pinker, author of The Blank Slate and The Language Instinct In Doing Our Own Thing, critically acclaimed linguist and cultural critic John McWhorter traces the precipitous decline of language in contemporary America, arguing persuasively that casual everyday speech has conquered the formal in all arenas, from oratory to poetry to everyday journalism—and has even had dire consequences for our musical culture. McWhorter argues that the swift and startling change in written and oral communication emanated from the countercultural revolution of the 1960s and its ideology that established forms and formality were autocratic and artificial. While acknowledging that the evolution of language is, in and of itself, inevitable and often benign, he warns that the near-total loss of formal expression in America is unprecedented in modern history and has reached a crisis point in our culture such that our very ability to convey ideas and arguments effectively is gravely threatened. By turns compelling and harrowing, passionate and judicious, Doing Our Own Thing is required reading for all concerned about the state of our language—and the future of intellectual life in America.

August Gale

A Father and Daughter's Journey into the Storm *Rowman & Littlefield*
An award-winning journalist's voyage into her family history and her quest to face the storms she encounters there. In August Gale, Pulitzer Prize-winning journalist Barbara Walsh—who has interviewed killers, bad cops, and crooked politicians in the course of her career—faces the most challenging story of her lifetime: asking her father about his childhood pain. In the process, she takes us on two heartrending odysseys: one into a deadly Newfoundland hurricane and the lives of schooner fishermen who relied on God and the wind to carry them home; the other, into a squall stirred by a man with many secrets: a grandfather who remained a mystery until long after his death. Sixty-eight years after the hurricane that claimed several of her ancestors, Walsh searches for memories of the August gale and the grandfather who abandoned her dad as a young boy. Together, she and her father journey to Newfoundland to learn about the 1935 storm, and along the way her dad begins to talk about the man he cannot forgive. As she recreates the scenes of the violent hurricane and a small boy's tender past, she holds onto a hidden desire: to heal her father and redeem the grandfather she has never met.

Reading Hemingway's Winner Take Nothing

Glossary and Commentary *Reading Hemingway*

A compelling and authoritative reading of Hemingway's final collection of short stories Written in 1933 and one of Hemingway's lesser-known books, Winner Take Nothing was his third and final collection of short stories. These stories are about loners and losers and misfits and ne'er-do-wells. Its characters are ill, tortured, maligned, and frustrated by Hemingway's world. Like the characters it depicts, Winner Take Nothing is likewise a misfit in Hemingway's career, a volume of short stories that, as of this writing, is not even in print. Its more popular predecessors, In Our Time (1925) and Men without Women (1927), are held up as iconic collections in the American short story tradition. The grotesqueries of these 14 stories are outcasts in Hemingway's corpus and have been neglected virtually from the beginning. Editors Cirino and Vandagriff recover an underrated work that still reflects contemporary concerns. Through line-by-line annotations and accompanying commentary, this book weaves together the biographical, historical, and cultural threads of one of Hemingway's more overlooked works, thus providing much needed guidance for Hemingway scholars and general readers alike. Included in this Collection: Introduction--Mark Cirino and Susan Vandagriff "After the Storm"--Kirk Curnutt "A Clean Well-Lighted Place"--Alberto Lena "The Light of the World"--Bryan Giemza "God Rest You Merry, Gentlemen"--Suzanne del Gizzo "The Sea Change"--Carl Eby "A Way You'll Never Be"--Mark Cirino "The Mother of a Queen"--Krista Quesenberry "One Reader Writes"--Robert W. Experiencing Fiction

Judgments, Progressions, and the Rhetorical Theory of Narrative *Theory and Interpretation of N*

In Experiencing Fiction, James Phelan develops a provocative and engaging affirmative answer to the question, "Can we experience narrative fiction in similar ways?" Phelan grounds that answer in two elements of narrative located at the intersection between authorial design and reader response: judgments and progressions. Phelan contends that focusing on the three main kinds of judgment--interpretive, ethical, and aesthetic--and on the

principles underlying a narrative's movement from beginning to end reveals the experience of reading fiction to be potentially sharable. In Part One, Phelan skillfully analyzes progressions and judgments in narratives with a high degree of narrativity: Jane Austen's Persuasion, Toni Morrison's Beloved, Edith Wharton's "Roman Fever," and Ian McEwan's Atonement. In Part Two, Phelan turns his attention to the different relationships between judgments and progressions in hybrid forms--in the lyric narratives of Ernest Hemingway's "A Clean, Well-Lighted Place," Sandra Cisneros's "Woman Hollering Creek," and Robert Frost's "Home Burial," and in the portrait narratives of Alice Munro's "Prue" and Ann Beattie's "Janus." More generally, Phelan moves back and forth between the exploration of theoretical principles and the detailed work of interpretation. As a result, Experiencing Fiction combines Phelan's fresh and compelling readings of numerous innovative narratives with his fullest articulation of the rhetorical theory of narrative.

Fobbit

A Novel *Open Road + Grove/Atlantic*

Fobbit \ˈfä-bit\, noun. Definition: A U.S. soldier stationed at a Forward Operating Base who avoids combat by remaining at the base, esp. during Operation Iraqi Freedom (2003-2011). Pejorative. In the satirical tradition of Catch-22 and M*A*S*H, Fobbit takes us into the chaotic world of Baghdad’s Forward Operating Base Triumph. The Forward Operating base, or FOB, is like the back-office of the battlefield – where people eat and sleep, and where a lot of soldiers have what looks suspiciously like a desk job. Male and female soldiers are trying to find an empty Porta Potty in which to get acquainted, grunts are playing Xbox and watching NASCAR between missions, and a lot of the senior staff are more concerned about getting to the chow hall in time for the Friday night all-you-can-eat seafood special than worrying about little things like military strategy. Darkly humorous and based on the author's own experiences in Iraq, Fobbit is a fantastic debut that shows us a behind-the-scenes portrait of the real Iraq war.

Assassination Vacation *Simon and Schuster*

New York Times bestselling author of The Wordy Shipmates and contributor to NPR’s This American Life Sarah Vowell embarks on a road trip to sites of political violence, from Washington DC to Alaska, to better understand our nation’s ever-evolving political system and history. Sarah Vowell exposes the glorious conundrums of American history and culture with wit, probity, and an irreverent sense of humor. With Assassination Vacation, she takes us on a road trip like no other—a journey to the pit stops of American political murder and through the myriad ways they have been used for fun and profit, for political and cultural advantage. From Buffalo to Alaska, Washington to the Dry Tortugas, Vowell visits locations immortalized and influenced by the spilling of politically important blood, reporting as she goes with her trademark blend of wisecracking humor, remarkable honesty, and thought-provoking criticism. We learn about the jinx that was Robert Todd Lincoln (present at the assassinations of Presidents Lincoln, Garfield, and McKinley) and witness the politicking that went into the making of the Lincoln Memorial. The resulting narrative is much more than an entertaining and informative travelogue—it is the disturbing and fascinating story of how American death has been manipulated by popular culture, including literature, architecture, sculpture, and—the author’s favorite—historical tourism. Though the themes of loss and violence are explored and

we make detours to see how the Republican Party became the Republican Party, there are all kinds of lighter diversions along the way into the lives of the three presidents and their assassins, including mummies, show tunes, mean-spirited totem poles, and a nineteenth-century biblical sex cult.
