Be Here Now *Harmony*

A social scientist recreates his search for expanded consciousness, through the psychedelia of LSD to the final calm and inner wisdom of Rajah Yoga

Being Ram Dass *Sounds True*

Perhaps no other teacher has sparked the fires of as many spiritual seekers in the West as Ram Dass. If you've ever embraced the phrase "be here now," practiced meditation or yoga, tried psychedelics, or supported anyone in a hospice, prison, or homeless center—then the story of Ram Dass is also part of your story. From his birth in 1931 to his luminous later years, Ram Dass saw his life as just one incarnation of many. This memoir puts us in the passenger seat with the one time Harvard psychologist and lifelong risk-taker Richard Alpert, who loved to take friends on wild rides on his Harley and test nearly every boundary—inner or outer—that came his way. Here, Ram Dass shares his life's odyssey in intimate detail: how he struggled with issues of self-identity and sexuality in his youth, pioneered psychedelic research, and opened the doorways to Eastern spiritual practices. In 1967 he trekked to India and met his guru, Neem Karoli Baba. He returned as a yogi and psychologist whose perspective changed millions. Populated by a cast of luminaries ranging from Timothy Leary to Elisabeth Kübler-Ross, Allen Ginsberg to Sharon Salzberg, Aldous Huxley to Alan Watts—this intimate memoir chronicles Ram Dass's experience of the cultural and spiritual transformations that resonate with us to this day, a journey from the mind to the heart, from the ego to the soul. Before, after, and along these waypoints, readers will encounter many other adventures and revelations—each ringing with the potential to awaken the universal, loving divine that links this beloved teacher to all of us.

Be Here Now (Enhanced Edition) *Harper Collins*

The enhanced edition of Be Here Now includes: Two guided video meditations, 30 minutes in length * Twenty minute video retrospective of Ram Dass' spiritual journey *The first chapter of Ram Dass' new book, Be Love Now

Be Love Now

The Path of the Heart *Harper Collins*

Ram Dass's long-awaited Be Love Now is the transformational teaching of a forty year journey to the heart. The author of the two-million-copy classic Remember, Be Here Now and its influential sequel Still Here, Dass is joined once more by Rameshwar Das—a collaborator from the Love Serve Remember audio recordings—to offer this intimate and inspiring exploration of the human soul. Like Deepak Chopra's Book of Secrets, the Dalai Lama's Art of Happiness, and Jon Kabat-Zinn's Coming to Our Senses, Ram Dass's Be Love Now will serve as a lodestar for anyone seeking to enhance their spiritual awareness and improve their capacity to serve—and love—the world around them.

Still Here

Embracing Aging, Changing, and Dying *Penguin*

More than thirty years ago, an entire generation sought a new way of life, looking for fulfillment and meaning in a way no one had before. Leaving his teaching job at Harvard, Ram Dass embodied the role of spiritual seeker, showing others how to find peace within themselves in one of the greatest spiritual classics of the twentieth century, the two-million-copy bestseller Be Here Now. As many of that generation enter the autumn of their years, the big questions of peace and of purpose have returned demanding answers. And once again, Ram Dass blazes a new trail, inviting all to join him on the next stage of the journey.

Walking Each Other Home

Conversations on Loving and Dying *Sounds True*

An intimate dialogue between two friends and luminaries on love, death, and the spiritual path, with guidance for the end-of-life journey We all sit on the edge of a mystery. We have only known this life, so dying scares us—and we are all dying. But what if dying is perfectly safe? What would it look like if you could approach dying with curiosity and love, in service of other beings? What if dying is the ultimate spiritual practice? Ram Dass and Mirabai Bush began their friendship more than four decades ago at the foot of their guru, Neem Karoli Baba, also known as Maharaj-ji. He transmitted to them a simple philosophy: love everyone, tell the truth, and give up attachment to material things. A year before Ram Dass passed, he reunited with Bush for an intimate dialogue—which became Walking Each Other Home. In this extraordinary book, you'll hear from two beloved teachers about the spiritual opportunities within the dying process. They generously share intimate personal experiences and timeless practices with courage, humor, and heart, gently exploring every aspect of this journey. Here you'll learn about guidelines for being a "loving rock" for the dying, how to grieve fully and authentically, how to transform a fear of death, leaving a spiritual legacy, creating a sacred space for dying, and much more. "Everybody you have ever loved is a part of the fabric of your being now," says Ram Dass. The body may die, but the soul remains. Death is an invitation to a new kind of relationship, in the place where we are all One. Join these two lifelong friends and spiritual luminaries as they explore what it means to live and die consciously, remember who we really are, and illuminate the path we walk together.

How Can I Help? *Knopf*

Not a day goes by without our being called upon to help one another--at home, at work, on the street, on the phone. . . . We do what we can. Yet so much comes up to complicate this natural response: "Will I have what it takes?" "How much is enough?" "How can I deal with suffering?" "And what really helps, anyway?" In this practical helper's companion, the authors explore a path through these confusions, and provide support and inspiration for us in our efforts as members of the helping professions, as volunteers, as community activists, or simply as friends and family trying to meet each other's needs. Here too are deeply moving personal accounts: A housewife brings zoo animals to lift the spirits of nursing home residents; a nun tends the wounded on the first night of the Nicaraguan revolution; a police officer talks a desperate father out of leaping from a roof with his child; a nurse allows an infant to spend its last moments of life in her arms rather than on a hospital machine. From many such stories and the authors' reflections, we can find strength, clarity, and wisdom for those times when we are called on to care for one another. *How Can I Help?* reminds us just how much we have to give and how doing so can lead to some of the most joyous moments of our lives.

It's Here Now (Are You?)**A Spiritual Memoir** *Harmony*

Introduced to readers by Ram Dass's "Be Here Now," the author recounts how he immersed himself in Indian spirituality only to fall prey to money, sex, and celebrity on his return from India

Be Here Now *Harper Collins*

"Now, though I am a beginner on the path, I have returned to the West for a time to work out karma or unfulfilled commitment. Part of this commitment is to share what I have learned with those of you who are on a similar journey. One can share a message through telling 'our-story' as I have just done, or through the teaching methods of yoga, or singing, or making love. Each of us finds his unique vehicle for sharing with others his bit of wisdom. For me, this story is but a vehicle for sharing with you the true message. . . . the living faith in what is possible."—from *Be Here Now* In 1970, Ram Dass' *Be Here Now* became the counter-culture bible for thousands of young people seeking enlightenment in the midst of the darkness of Vietnam. It was a pioneering bridge, written in colloquial language, from the psychedelic 60s to eastern spirituality, and over the years has sold and continues to sell more than two million copies. Now in an e-book edition, Ram Dass' message is brought to life for a new generation of seekers. This will be a beautiful digital edition of this classic and enlightening book.

The Only Dance There Is *Anchor*

This book is based on talks by Ram Dass at the Menninger Foundation in 1970 and at the Spring Grove Hospital in Maryland in 1972. The text grew out of the interaction between Ram Dass and the spiritual seekers in attendance at these talks. The result of this unique exchange is a useful guide for understanding the nature of consciousness--useful both to other spiritual seekers and to formally

trained psychologists. It is also a celebration of the Dance of Life--which, in the words of Ram Dass, is the "only dance there is."

Paths to God**Living the Bhagavad Gita** *Harmony*

For centuries, readers have turned to the Bhagavad Gita for inspiration and guidance as they chart their own spiritual paths. As profound and powerful as this classic text has been for generations of seekers, integrating its lessons into the ordinary patterns of our lives can ultimately seem beyond our reach. Now, in a fascinating series of reflections, anecdotes, stories, and exercises, Ram Dass gives us a unique and accessible road map for experiencing divinity in everyday life. In the engaging, conversational style that has made his teachings so popular for decades, Ram Dass traces our journey of consciousness as it is reflected in one of Hinduism's most sacred texts. The Gita teaches a system of yogas, or "paths for coming to union with God." In *Paths to God*, Ram Dass brings the heart of that system to light for a Western audience and translates the Gita's principles into the manual for living the yoga of contemporary life. While being a guide to the wisdom of the Bhagavad Gita, *Paths to God* is also a template for expanding our definition of ourselves and allowing us to appreciate a new level of meaning in our lives.

Polishing the Mirror**How to Live from Your Spiritual Heart** *Sounds True*

Sometimes illumination occurs spontaneously or, as Ram Dass experienced, in a heart-wrenching moment of opening. More commonly, it happens when we polish the mirror of the heart with daily practice—and see beyond the illusion of our transient thoughts and emotions to the vast and luminous landscape of our true nature. For five decades, Ram Dass has explored the depths of consciousness and love and brought them to life as service to others. With *Polishing the Mirror*, he gathers together his essential teachings for living in the eternal present, here and now. Readers will find within these pages a rich combination of perennial wisdom, humor, teaching stories, and detailed guidance on Ram Dass' own spiritual practices, including: Bhakti Yoga—opening our hearts to unconditional love Practices for living, aging, dying, and embracing the natural flow of life Karma Yoga—how selfless service can profoundly transform us Working with fear and suffering as a path to grace and freedom Step-by-step guidance in devotional chant, meditation and mantra practice, and much more For those new to Ram Dass' teachings, and for those to whom they are old friends, here is this vanguard spiritual explorer's complete guide to discovering who we are and why we are here, and how to become beacons of unconditional love.

Cookbook for Awakening**Core Teachings from Ram Dass**

Creativity, Spirituality, and Making a Buck *Simon and Schuster*

A friendly, funny, practical guide for creatives and entrepreneurs, written by a four-time Emmy award-winning and two-time Grammy-nominated composer-guitarist-producer who has worked with Paul Simon, Stevie Wonder, Jerry Garcia, Lana Del Rey, and Krishna Das, among many others. Also a beloved and highly regarded Buddhist teacher, David teaches readers how to integrate their creative process with their spiritual practice and livelihood. “How do I make a living doing what I love?” “Am I a sellout as an artist if I want to be successful?” “How do I integrate my spiritual principles with the art of running a business? And actually, um, how do I run a business?” Wondering how to reconcile your calling with your need to make a living wage, or what to do once your art starts selling, or how to achieve success in your field, or what it even means to be successful? David Nichtern offers his lived, learned experience as an entrepreneur, musician, and Buddhist teacher to first help you figure out what “success” means to you and then show you how to get there. He offers advice on the creative process and principles of business and ethics—everything from “listen to the muse!” to “protect your intellectual property!”—and provides mindfulness exercises to help you integrate inspiration and aspiration, vocation and avocation—to go from surviving to thriving. Whether you’re a baker trying to grow from the farmer’s market to a brick-and-mortar or a CEO exploring how taking care of your employees can be the same as taking care of your business—if you’re trying to align your spiritual, creative, and financial pursuits and discover what it means to truly live well, this book is for you.

Religion and Spirituality *SUNY Press*

Through the skillful use of a great variety of literary genres, this book explores the intimate relation and tension between religion and spirituality, evoking a wide range of responses that may awaken one to various possibilities of spiritual experience.

The Harvard Psychedelic Club**How Timothy Leary, Ram Dass, Huston Smith, and Andrew Weil Killed the Fifties and Ushered in a New Age for America** *Harper Collins*

This book is the story of how three brilliant scholars and one ambitious freshman crossed paths in the early sixties at a Harvard-sponsored psychedelic-drug research project, transforming their lives and American culture and launching the mind/body/spirit movement that inspired the explosion of yoga classes, organic produce, and alternative medicine. The four men came together in a time of upheaval and experimentation, and their exploration of an expanded consciousness set the stage for the social, spiritual, sexual, and psychological revolution of the 1960s. Timothy Leary would be the rebellious trickster, the premier proponent of the therapeutic and spiritual benefits of LSD, advising a generation to “turn on, tune in, and drop out.” Richard Alpert would be the seeker, traveling to India and returning to America as Ram Dass, reborn as a spiritual leader with his “Be Here Now” mantra, inspiring a restless army of spiritual pilgrims. Huston Smith would be the teacher, practicing every world religion, introducing the Dalai Lama to the West, and educating generations of Americans to adopt a more tolerant, inclusive attitude toward other cultures’ beliefs. And young

Andrew Weil would be the healer, becoming the undisputed leader of alternative medicine, devoting his life to the holistic reformation of the American health care system. It was meant to be a time of joy, of peace, and of love, but behind the scenes lurked backstabbing, jealousy, and outright betrayal. In spite of their personal conflicts, the members of the Harvard Psychedelic Club would forever change the way Americans view religion and practice medicine, and the very way we look at body and soul.

Journey of Awakening**A Meditator's Guidebook** *Bantam*

Find the practice that’s right for you with this exploration of the many paths of meditation—from mantra, prayer, singing, visualizations, and “just sitting” to movement meditations such as tai chi “Everyone has experienced a moment of pure awareness. A moment without thinking ‘I am aware’ or ‘that is a tree.’ Such moments bring a sense of rightness, of clarity, of being at one. Such moments are the essence of meditation.”—Ram Dass Ram Dass is an American psychologist and spiritual teacher who has studied and practiced meditation for many years. Here he shares his understanding and suggests how you can find methods suitable for you. He illuminates the stages and benefits of meditative practice, and provides wise and often humorous advice on overcoming difficulties along the way.

Reflections on the Journey**A Ram Dass Inspired Journal** *Simon and Schuster*

A Ram Dass-themed journal for contemplation and reflection, featuring inspiring quotes from Ram Dass that offer writers and seekers a tool for cultivating honesty, compassion and love. Reflections on the Journey is a Ram Dass-inspired journal containing 12 contemplative quotes by Ram Dass and 190 lined pages for writing and reflection. The quotes are carefully curated to inspire readers and writers to search deeper within themselves to witness the truth of their being. Each quote contains loving and heartening Ram Dass wisdom, offering readers and writers a resonant tool to help them follow their life path with honesty, compassion and love.

Grist for the Mill**Awakening to Oneness** *Harper Collins*

From Ram Dass, one of America’s most beloved spiritual figures and bestselling author of *Be Here Now* and *Be Love Now*, comes this timeless classic about the experience of being and the risks and rewards of our spiritual path. Originally published in 1976, *Grist for the Mill* offers a deep spiritual journey of self-discovery, and a universal understanding of what it means to “be” and to grow as human beings. The book is fully revised with a new introduction. As Ram Dass puts it, “When the faith is strong enough it is sufficient just to be. It’s a journey towards simplicity, towards quietness, towards a kind of joy that is not in time. It’s a journey that has taken us from primary identification

with our body and our psyche, on to an identification with God, and ultimately beyond identification."

The Divine Reality

God, Islam and The Mirage of Atheism

In *The Divine Reality*, (Newly Revised Edition 2019) Hamza Andreas Tzortzis provides a compelling case for the rational and spiritual foundations of Islam, whilst intelligently and compassionately deconstructing atheism. Join him on an existential, spiritual and rational journey that articulates powerful arguments for the existence of God, the Qur'an, the Prophethood of Muhammad and why we must know, love and worship God. He addresses academic and popular objections while showing how contemporary atheism is based on false assumptions about reality, which leads to incoherent answers to life's important questions. Does hope, happiness and human value make sense without the Divine? Do we have an ultimate purpose? Can we have consciousness and rational minds without God? Did the universe come from nothing? Does evil and suffering negate Divine mercy? Has scientific progress led to the denial of God? Are revelation and prophethood myths? Is God worthy of our worship? If you want to know how the Islamic intellectual and spiritual tradition answers these questions then this is the book for you. Hamza Andreas Tzortzis's new book presents a much needed comprehensive account of Islamic theism that draws upon Western and Islamic thought. Hamza Tzortzis is an international speaker, writer and instructor. He has a PgCert and an MA in philosophy and is currently continuing his postgraduate studies in the field. Love Everyone

The Transcendent Wisdom of Neem Karoli Baba Told Through the Stories of the Westerners Whose Lives He Transformed *HarperCollins*

A celebration of Neem Karoli Baba, one of the most influential spiritual leaders of our time, the divine guru who inspired and led a generation of seekers—including Ram Dass, Daniel Goleman, and Larry Brilliant—on life-changing journeys that have ultimately transformed our world. In 1967, Baba Ram Dass—former American Harvard professor Richard Alpert—left India to share stories of his mysterious guru, Neem Karoli Baba, known as Maharajji. Introducing idealistic Western youth to the possibilities inherent in spiritual development, Ram Dass inspired a generation to turn on and tune in to a reality far different from the one they had known. From the spring of 1970 until Maharajji died on September 11, 1973, several hundred Westerners had his darshan (in Hinduism, the beholding of a deity, revered person, or sacred object). Those who saw him formed the Maharajji satsang—fellow travelers on the path. *Love Everyone* tells the stories of those who heard the siren call of the East and followed it to the foothills of the Himalayas. The ways they were called to make the journey, their experiences along the way, and their meeting with Maharajji form the core of this multicultural

adventure in shifting consciousness. The contributors share their recollections of Maharajji and how his wisdom shaped their lives. All have attempted to follow Maharajji's basic teaching, his seemingly simple directives: Love everyone, feed everyone, and remember God. All have found their own way to be of service in the world and, in so doing, have collectively touched the hearts and souls of countless others.

The Beauty of Everyday Things *Penguin UK*

The daily lives of ordinary people are replete with objects, common things used in commonplace settings. These objects are our constant companions in life. As such, writes Soetsu Yanagi, they should be made with care and built to last, treated with respect and even affection. They should be natural and simple, sturdy and safe - the aesthetic result of wholeheartedly fulfilling utilitarian needs. They should, in short, be things of beauty. In an age of feeble and ugly machine-made things, these essays call for us to deepen and transform our relationship with the objects that surround us. Inspired by the work of the simple, humble craftsmen Yanagi encountered during his lifelong travels through Japan and Korea, they are an earnest defence of modest, honest, handcrafted things - from traditional teacups to jars to cloth and paper. Objects like these exemplify the enduring appeal of simplicity and function: the beauty of everyday things.

One-Liners

A Mini-Manual for a Spiritual Life *Harmony*

Ram Dass has always been a master of the one-liner. Here is the nitty-gritty by the author of *Be Here Now*—more than 200 penetrating observations and pithy spiritual instructions on such topics as How It All Is, Love and Devotion, Suffering, Aging, Planes of Consciousness, Death and Dying, Service and Compassion, Psychedelics, Social Awareness, and Liberation. "This book is a kind of spiritual brandy, a distillation of the lectures I've given over the course of the past decade or so. These quotes are the little "aha!" moments, the cameos that have been served up out of our collective consciousness from time to time that seem to summarize something about our human journey. I think of this book as something you might have next to the coffeepot to pick up in the morning, or as something you might tuck into your backpack to pull out during your bus ride to work, in order to reframe the way you look at your day." —Ram Dass

Words of Wisdom

Quotations from One of the World's Foremost Spiritual Teachers *Simon and Schuster*

Words of Wisdom is a distillation of the last five decades of Ram Dass's life containing the most powerful quotes from his most resonant core teachings. Ram Dass always had a knack for heart-to-heart transmission. Far before he had a vocabulary to describe his spiritual experiences, he was Richard Alpert, a Harvard professor and early experimenter with psychedelics. After these early soul-expanding journeys, he spoke and wrote about his transcendent experiences with the innate, intuitive understanding of a true inner-voyager. Even before Alpert realized that psychedelics weren't the final answer to enlightenment, he was more interested in cultivating a shared heart space with his patients and friends than he was in the clinical, scientific side of psychedelia. Words of Wisdom is a distillation of hundreds of lectures and many hours of audio and video recordings from the last five decades—his core essential teachings. This anthology celebrates the spark that helped to ignite the flame of grace and Loving Awareness in so many hearts. By the end of his life, Ram Dass was a true conduit for soul connection. This anthology celebrates the spark that helped to ignite the flame of grace and Loving Awareness in so many hearts. By the end of his life, Ram Dass was a true conduit for soul connection. Bill Bradley at Princeton *Farrar, Straus and Giroux (BYR)*

When John McPhee met Bill Bradley, both were at the beginning of their careers. A Sense of Where You Are, McPhee's first book, is about Bradley when he was the best basketball player Princeton had ever seen. McPhee delineates for the reader the training and techniques that made Bradley the extraordinary athlete he was, and this part of the book is a blueprint of superlative basketball. But athletic prowess alone would not explain Bradley's magnetism, which is in the quality of the man himself—his self-discipline, his rationality, and his sense of responsibility. Here is a portrait of Bradley as he was in college, before his time with the New York Knicks and his election to the U.S. Senate—a story that suggests the abundant beginnings of his professional careers in sport and politics.

Love Your Enemies

How to Break the Anger Habit & Be a Whole Lot Happier *Hay House, Inc*

When people and circumstances upset us, how do we deal with them? Often, we feel victimized. We become hurt, angry, and defensive. We end up seeing others as enemies, and when things don't go our way, we become enemies to ourselves. But what if we could move past this pain, anger, and defensiveness? Inspired by Buddhist philosophy, this book introduces us to the four kinds of enemies we encounter in life: the outer enemy, people, institutions, and situations that mean to harm us; the inner enemy, anger, hatred, fear, and other destructive emotions; the secret enemy, self-obsession that isolates us from others; and the super-secret enemy, deep-seated self-loathing that prevents us from finding inner freedom and true happiness. In this practical guide, we learn not only how to identify our enemies, but more important, how to transform our relationship to them. *Love Your Enemies* teaches us how to: - Break free from the mode of "us" versus "them" thinking - develop compassion, patience, and love - Accept what is beyond our control - Embrace lovingkindness, right speech, and other core concepts Throughout, authors Sharon Salzberg and Robert Thurman share stories and exercises for achieving finding peace within yourself and with the world. Drawing from ancient spiritual wisdom and modern psychology, *Love Your Enemies* presents tools that are useful for all readers.

Shifting the Silence

A heart-rending meditation on aging, grief, and the universal experience of facing death *Shifting the Silence* does just that, breaks the social taboo around writing and speaking about our own deaths. In short unrelenting paragraphs, Adnan enumerates her personal struggle to conceptualize the breadth of her own life at 95, the process of aging, and the knowledge of her own inevitable death. The personal is continuously projected outwards and mirrored back through ruminations on climate catastrophe, California wildfires, the on-going war in Syria, planned missions to Mars, and the view of the sea from Adnan's window in Brittany in a poignant often painful interplay between the interior and the cosmic.

The Wisdom of Insecurity *Vintage*

Alan Watts is "the perfect guide for a course correction in life, away from materialism and its empty promise" (Deepak Chopra). Here he shows us how—in an age of unprecedented anxiety—we must embrace the present and live fully in the now in order to live a fulfilling life. Spending all our time trying to anticipate and plan for the future and to lamenting the past, we forget to embrace the here and now. We are so concerned with tomorrow that we forget to enjoy today. Drawing from Eastern philosophy and religion, Alan Watts shows that it is only by acknowledging what we do not—and

cannot—know that we can learn anything truly worth knowing. "Perhaps the foremost interpreter of Eastern disciplines for the contemporary West, Watts had the rare gift of 'writing beautifully the unwritable.'" —Los Angeles Times
