Counseling

A Comprehensive Profession *Pearson*

The most readable, practical, comprehensive overview of the roles and responsibilities of the professional counselor available--updated and improved to meet the needs of today's counselors. Long respected as the most comprehensive guide to the counseling profession available, Samuel Gladding's text continues to emphasize counseling as a profession and counseling as an identity, while focusing on the roles and responsibilities of the professional counselor. Designed to ensure students get a head start in preparing for the professional challenges they will face in their futures as effective counselors, the book includes the latest research from counseling journals and other professional resources to show clearly the challenges of the profession that lie ahead. The new edition of the text contains an even stronger emphasis on counseling as a profession and counseling as an identity, along with new or expanded sections on wellness, trauma, social justice, theories, process, multiculturalism, diversity, rehabilitation, motivational interviewing, bullying, microaggression, international counseling, addiction, abuse, and ethical and legal issues within the counseling profession. This text is even more equipped to help students prepare for professional challenges and a lifetime as an effective counselor than ever before. Among the text's new features are: Counselors are kept current on the emerging trends in the field through over 240 updated and new references. The text is now more approachable for courses taught on a semester basis through a format consolidation from 20 to 18 chapters. Important information on the history of counseling (previously presented as an opening chapter in the Seventh edition) now appears in Appendix A, providing additional reading for those interesting in expanding their knowledge. Students and professors get a strong look at many of the main tenets of the major approaches to counseling through new charts that appear within the two chapters on theories and in Appendix B. A more in-depth knowledge of supervision is provided in the expanded section. The flow of counseling as a complete entity is made clearer that combines the topics of working in a counseling relationship, and closing or terminating a counseling relationship. Learning through visual cues is enhanced through the inclusion of over 40 new graphs and tables inserted throughout the text without interrupting the narrative around them. How to work effectively with diverse and multicultural populations is supported through information that reflects the changes in demographics in the United States today. Infused throughout the book is material on working in a diverse and multicultural climate.

Counseling Theories

Essential Concepts and Applications *Prentice Hall*

For Theories of Counseling and Psychotherapy courses. This practical text provides clear, succinct coverage of the core concepts of all of the major contemporary theories of counseling and psychotherapy, including separate chapters on solution-focused and on feminist theory. Each theory chapter begins by discussing the major theorist or theorists responsible for the theory. The chapters then examine how the theory views (1) human nature, (2) the role of the therapist in counseling, and (3) the therapeutic process and techniques. Chapters then present an evaluation of the theory, including an assessment of multicultural and gender issues. Then each chapter concludes by applying the theory to a single case-the case of Linda-that is used across all of the chapters. The text is ideal for instructors who want to give their students a clear understanding of theories' essential concepts and applications.

Program Evaluation in School Counseling

Improving Comprehensive and Developmental Programs *Routledge*

Program Evaluation in School Counseling is the first book on program evaluation that looks to the field and literature of program evaluation and then relates methods, procedures, and practices back to the practice of school counseling. Written by two accomplished authors who teamed up to build evaluation capacity among school and school-based counselors internationally, the book highlights their interdisciplinary work, covering many years and several continents. Based on the authors' model for teaching program evaluation and their research on school counselor competence in program evaluation, this concise, clear, and practical guide supports the continuing professional development of school counselors through training, workshops, and self-study. This book addresses the program evaluation knowledge, skills, and understandings that school-based counselors are expected to use in line with the CACREP 2016 Standards. The book is intended as a companion text for university courses in research methods and/or in the organization and administration of counseling services. It is also appropriate as a self-study guide to help practicing school counselors develop expertise in evaluation.

Professional School Counseling

Best Practices for Working in the Schools *Routledge*
Today's children and adolescents are constantly facing new and unique challenges, and school counselors must respond to this by expanding their role and function within the schools. This revised and expanded edition of Thompson's important text explores these issues, as well as the necessary steps school counselors need to take in order to adapt and effectively deal with them. Thompson advocates for the need for standards-based school counseling, outlining the framework and benefits of the ASCA National Model® and comprehensive guidance and counseling programs. She addresses the newest research in implementing evidence-based practices; the mental health issues that may be faced by children and adolescents; consulting with teachers, parents, administrators, and the community; and crisis intervention and management. New to this edition are chapters that focus on minority and disenfranchised students and emphasize the need for school counselors to be able to advocate, coordinate, and collaborate on services for these students and their families. This is an essential resource for every school counselor in a time when the profession is becoming increasingly important.

International Handbook of Cross-Cultural Counseling

Cultural Assumptions and Practices Worldwide *SAGE*
The Handbook of International Counseling is an effort to bring together the current practices, values, attitudes and beliefs about counseling from countries around the globe. The editors have selected leading experts in the field of counseling in a wide and culturally representative group of countries throughout the world. This book will be the first volume that undertakes such an ambitious goal in the field of counseling.

School Counseling in the 21st Century *Routledge*
School Counseling in the 21st Century brings the theoretical aspects of school counseling to life. As they move through the book, school counselors in training will begin to identify and develop the significant pieces of a comprehensive school counseling program. They will also experience, through real and relevant case studies, how school counselors are using technology, assessment data, and leadership skills to implement effective programs aimed at serving their students. Each chapter reflects on how the national model for school counseling, standards of practice, multicultural skills, and ethical guidelines are the foundation of building comprehensive programs. School Counseling in the 21st Century comprehensively addresses the 2016 CACREP Standards: the beginning of each chapter outlines which core and school counseling standards are addressed, and chapters support CACREP's requirement for material on multicultural counseling, ultimately enhancing readers' knowledge and effectiveness in working with diverse populations.

Becoming a Skilled Counselor *SAGE*
The core text for counselor skill development, *Becoming a Skilled Counselor* prepares students with the knowledge and skills necessary to be effective helpers. Authors Richard D. Parsons and Naijian Zhang provide an understanding of the essentials of the counseling relationship, the dynamic and intentional nature of the helping process, and the theories and research guiding the selection and application of interventions.

Introduction to Professional Counseling *SAGE Publications*
Organized around the latest CACREP standards, *Introduction to Professional Counseling* integrates key theoretical concepts with discussion of the practical aspects of the field. Drawing from their own experiences as counseling practitioners, editors Varunee Faii Sangganjanavanich and Cynthia A. Reynolds explore what it means to develop a professional counseling identity, emphasizing the importance of intentionality and reflection in practice. Numerous case studies and practice exercises in this innovative text further personalize the content for developing 21st century counselors. *Introduction to Professional Counseling* is part of the Counseling and Professional Identity Series, which targets specific competencies identified by CACREP (Council for Accreditation of Counseling and Related Programs).
