A Student's Guide to Methodology - Peter Clough, Cathy ...

methodology. 'The arrest of experience'. Research puts common experience into brackets, makes 'objects' of experience so that they can be examined and understood. One of the things which research requires people to do is to question assumptions and perceptions that are taken for granted in the normal run of everyday life; Michael Oakeshott (1933) described this as an 'arrest of experience', when we try to step outside our everyday experience of people, objects and places, and ...

A Student's Guide to Methodology - Peter Clough, Cathy ...

Students draw from vignettes situated within North America to learn how various methods work in the real world, and how ethnography informs contemporary anthropological theory. Exercises and assignments encourage students to practice these methods in a familiar context, and a sustained focus on visual methodologies offers coverage not found in other books.
