Experiencing the World's Religions

Tradition, Challenge, and Change

"Religions speak in symbols-fire, cloud, hills and high places, darkness and light, incense, candles, colors. Religions, though, perhaps love water best. Buddhists use water for blessing. Hindus purify themselves in rivers. Christians

undergo baptism in water as a rite of initiation. Followers of Islam and Shinto cleanse themselves with water before prayer. Water means change, purification, and new beginnings. Because water can signify so much to us, it is the major symbol of this book. By studying many religions, we also hope to be cleansed and brought to new life. This book was written for my students. Keeping their needs in mind, I have tried to provide what is essential and to present it in clear language. I want to talk about doctrine and practice. Yet I also hope to show some of those things that have captivated me: religious music, art, and architecture. I want to show my respect for all religious traditions, both in a scholarly and an approachable way. Finally, I hope to

invite students not only to read about religions, but also to experience them firsthand. It is like the difference between reading maps of a country and then actually traveling on its roads and seeing its sights. Experience brings the prize"--

Experiencing the World's Religions

McGraw-Hill Humanities/Social Sciences/Languages

Experiencing the World's Religions provides a clear and compelling account of the world's major religious traditions. With an engaging narrative and powerful photographs from around the globe, the text conveys the vitality and richness of the world's religions. It views religion as a living cultural wellspring that not only concerns systems of belief but how

those beliefs are expressed in ceremonies, food, clothing, art, architecture, pilgrimage, scripture, and music. The text goes beyond traditional approaches to personally connect students with the traditions discussed. With additional pedagogy, primary source excerpts, expanded discussion of religious controversies, and more, this fifth edition has been thoroughly updated in both content and design to provide students with a better understanding of religion and the world at large.

LooseLeaf for Experiencing the World's Religions**Tradition, Challenge, and Change**

McGraw-Hill Education

Experiencing the World's Religions, 7th Edition, examines the practices and beliefs of major religions. It focuses on how religions shape both individuals and whole cultures. It also describes, in both text and illustrations, the art and architecture of the major religions. Narratives of the author's experiences help readers to experience religions first hand. The book is written in the graceful and thought-provoking style of Michael Molloy, a scholar of religious studies.

Anthology of World Scriptures

Cengage Learning

With ANTHOLOGY OF WORLD SCRIPTURES, 9th Edition your students will encounter the most notable and instructive sacred texts from major world religions, including Hinduism, Buddhism, Jainism, Sikhism, Confucianism, Taoism, Shinto, Zoroastrianism, Judaism, Christianity, and Islam. They will also examine scriptures from new religious movements including Baha'i, The Church of Jesus Christ of Latter-Day Saints, the Christian Science Church, and the Unification Church. Most introductory textbooks talk about world religions; this anthology lets them speak for themselves. This anthology presents scripture readings in context, showing students how each religion is actually

practiced today, as well as introducing its history, teachings, organization, ethics, and rituals. These selections are supported by introductions, study questions, glossaries, extensive footnotes, timelines, scriptural charts, and suggestions for further reading by the editor. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Wisdom Walk

Nine Practices for Creating Peace and Balance from the World's Spiritual Traditions *New World Library*

After experiencing a crisis of faith, Sage Bennet looked to the practices of the world's religions for help. In Wisdom

Walk, she beautifully outlines nine of these teachings, making them accessible without diminishing them, while exploring the essential beliefs of each tradition. From Hinduism: Create a home altar. From Buddhism: Meditate and find peace. From Islam: Surrender to prayer. From Christianity: Forgive yourself and others. From Judaism: Make time for the Sabbath. From Native American spirituality: Let nature be your teacher. From Taoism: Go with the flow. From New Thought: Catch God's vision of your life. From all traditions: Offer yourself in service to others. Wisdom Walk provides a simple, easy-to-follow guide for bringing the world's spiritual traditions into your own life through practical, powerful rituals.

The Christian Experience

An Introduction to Christianity

Bloomsbury Publishing

How do we study Christian life and thought? How have political and cultural events influenced the experiences of Christians in different places, at different times? How has the world's largest religion been lived in varied parts of the world? The Christian Experience is the first textbook to unite traditional approaches to Christianity with special attention to art, music, architecture, and lived experiences. The material, individual, and personal sides of Christianity are brought to the fore throughout this chronological survey. Every chapter begins with a "first encounter" in order to bring the subject

matter to life for students, mirroring the author's approach in his successful book *Experiencing the World's Religions*. This book on Christianity features over 100 color images, maps, and diagrams, and each chapter ends by pointing to additional print and electronic resources. Michael Molloy considers practices, insights, and artistic creations of Christians across the centuries. The book shows how Christian belief is being practiced in our own time, and it invites readers to imagine how Christianity might evolve in the future.

Jesus in the World's Faiths

Leading Thinkers from Five Religions Reflect on His Meaning
Orbis Books

What Jesus as his teachings mean to contemporary Buddhists, Hindus, Muslims, Jews, and Christians in the context of their traditions and in their personal faith experiences.

Understanding World Religions

An Interdisciplinary Approach
Zondervan Academic

Globalization and high-speed communication put twenty-first century people in contact with adherents to a wide variety of world religions, but usually, valuable knowledge of these other traditions is limited at best. On the one hand, religious stereotypes abound, hampering a serious exploration of unfamiliar philosophies and practices. On the other hand, the popular idea that

all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world's many religions. *Understanding World Religions* presents religion as a complex and intriguing matrix of history, philosophy, culture, beliefs, and practices. Hexham believes that a certain degree of objectivity and critique is inherent in the study of religion, and he guides readers in responsible ways of carrying this out. Of particular importance is Hexham's decision to explore African religions, which have frequently been absent from major religion texts. He surveys these in addition to varieties of Hinduism, Buddhism, Judaism, Christianity, and Islam.

Invitation to World Religions *Oxford University Press, USA*

"Featuring a unique, consistent, and modular chapter structure and numerous pedagogical features, *Invitation to World Religions*, Fourth Edition, invites students to explore the world's great religions with respect and a sense of wonder. The authors also encourage students to develop an appreciation for what religious beliefs and practices actually mean to their adherents"--

Minerals Yearbook

World Religions *Dk Pub*

Examines each religion--including ancient Greek, Roman, Norse, and Celtic religions, Hinduism, Buddhism, Christianity, and nature religions--

discussing its history, founder, major deity, beliefs, festivals, and celebrations.

Tradition, Challenge, And Change

World Religions

A Voyage of Discovery *Saint Mary's Press*

The major religions of the world are a mystery to many high school teens. Now you can help them unlock the doors of these traditions with our new text, *World Religions: A Voyage of Discovery*. The

book is an introductory survey that helps eleventh and twelfth graders understand the people, dimensions, and religious principles of the world's major religions. The textbook includes a chapter on each of eleven major world religions, including Christianity, Islam, Hinduism, Buddhism, Judaism, and others. The text offers the Catholic perspective on interreligious dialogue, an overview of basic questions that religions address, and Ninian Smart's seven dimensions of religion. A glossary and word pronunciations in each chapter help students learn unfamiliar terms. In addition, the second edition of this text incorporates the following new features: a new chapter on modern trends in religion; new, more detailed maps; a new section on the Aztec religion of Mesoamerica; a sidebar

in each chapter offering examples of the seven dimensions of religion; and review questions at the end of each chapter.

Religions of the World

The World's Wisdom

Sacred Texts of the World's Religions *Harper Collins*

A world Bible for our time from Buddhist, Hindu, Confucian, Taoist, Jewish, Christian, Islamic, and primal religion sources! In this perfect companion to Huston Smith's bestselling *The World's Wisdom*, Philip Novak distills the most powerful and elegant expressions of the wisdom of humankind. Authentic, poetic translations of key texts are coupled with insightful introductions and "grace

notes."

Integral Buddhism

And the Future of Spirituality

Shambhala Publications

An edifying view of Buddhism from one of today's leading philosophers: a look at its history and foundational teachings, how it fits into modern society, and how it (and other world religions) will evolve. What might religion look like in the future? Our era of evolution in social consciousness and revolution in science, technology, and neuroscience has created difficulties for some practitioners of the world's great spiritual traditions. How can one remain true to their central teachings while also integrating those teachings into a new framework that is

inclusive of ongoing discoveries? Taking the example of Buddhism to explore this key question, Ken Wilber offers insights that are relevant to all of the great traditions. He shows that traditional Buddhist teachings themselves suggest an ongoing evolution leading toward a more unified, holistic, and interconnected spirituality. Touching on all of the key turning points in the history of Buddhism, Wilber describes the ways in which the tradition has been open to the continuing unfolding and expansion of its own teachings, and he suggests possible paths toward an ever more Integral approach. This work is a precursor to and condensed version of Wilber's *The Religion of Tomorrow*.

Studying Religion: An Introduction

Through Cases

The Great Transformation

The Beginning of Our Religious Traditions *Vintage Canada*

From one of the world's leading writers on religion and the highly acclaimed author of the bestselling *A History of God*, *The Battle for God* and *The Spiral Staircase*, comes a major new work: a chronicle of one of the most important intellectual revolutions in world history and its relevance to our own time. In one astonishing, short period – the ninth century BCE – the peoples of four distinct regions of the civilized world created the religious and philosophical traditions that have continued to nourish humanity into the present day:

Confucianism and Daoism in China; Hinduism and Buddhism in India; monotheism in Israel; and philosophical rationalism in Greece. Historians call this the Axial Age because of its central importance to humanity's spiritual development. Now, Karen Armstrong traces the rise and development of this transformative moment in history, examining the brilliant contributions to these traditions made by such figures as the Buddha, Socrates, Confucius and Ezekiel. Armstrong makes clear that despite some differences of emphasis, there was remarkable consensus among these religions and philosophies: each insisted on the primacy of compassion over hatred and violence. She illuminates what this "family" resemblance reveals about the religious

impulse and quest of humankind. And she goes beyond spiritual archaeology, delving into the ways in which these Axial Age beliefs can present an instructive and thought-provoking challenge to the ways we think about and practice religion today. A revelation of humankind's early shared imperatives, yearnings and inspired solutions - as salutary as it is fascinating. Excerpt from *The Great Transformation*: In our global world, we can no longer afford a parochial or exclusive vision. We must learn to live and behave as though people in remote parts of the globe were as important as ourselves. The sages of the Axial Age did not create their compassionate ethic in idyllic circumstances. Each tradition developed in societies like our own that

were torn apart by violence and warfare as never before; indeed, the first catalyst of religious change was usually a visceral rejection of the aggression that the sages witnessed all around them. . . . All the great traditions that were created at this time are in agreement about the supreme importance of charity and benevolence, and this tells us something important about our humanity.

Gods in the Global Village

The World's Religions in Sociological Perspective *SAGE Publications*

In a world plagued by religious conflict, how can the various religious and secular traditions coexist peacefully on the planet? And, what role does sociology play in helping us understand

the state of religious life in a globalizing world? In the Fourth Edition of *Gods in the Global Village*, author Lester Kurtz continues to address these questions. This text is an engaging, thought-provoking examination of the relationships among the major faith traditions that inform the thinking and ethical standards of most people in the emerging global social order. Thoroughly updated to reflect recent events, the book discusses the role of religion in our daily lives and global politics, and the ways in which religion is both an agent of, and barrier to, social change.

Religious Studies 243 : Experiencing the World's Religions. 6th Ed. GCC Custom Ed

World Religions

Western Traditions *Oxford University Press, USA*

Now in its fifth edition, this engaging, contributed survey of religions in the Western world - namely Judaism, Christianity, Islam, ancient religions, Indigenous traditions, and new religious movements - explores each tradition in depth from its origins, through its development, to the religion's meaning and practice in contemporary society.

Kabbalah: Key to Your Inner Power *SCB Distributors*

""A masterpiece. The rich tradition of the Kabbalah comes to life in a language that is accessible even to those unfamiliar with this ancient and classic

tradition." —Caroline Myss, Ph.D., New York Times bestselling author of *Anatomy of the Spirit* Mystics are adventurers of the spirit who dare to push beyond the boundaries of orthodox tradition to pursue a common goal—the direct experience of God. *Kabbalah: Key to Your Inner Power* explores the once-secret Jewish mystical tradition known as Kabbalah. With intriguing new perspectives, it shows how we can use Kabbalah's extraordinary revelations about the creation of the universe, our relationship to God and our purpose in life to unlock our own spiritual power. It brings to life the path of the Jewish mystics—their joys and ecstasies, their sacred visions, and their practical techniques for experiencing the sacred in everyday life. Includes 36 illustrations,

19 charts and diagrams, pronunciation guide."
