Dragons Of Autumn Twilight Dragonlance

Dragons of Autumn Twilight was the first novel of the Dragonlance series. It was based upon a Dungeons & Dragons session played by the authors with some of their friends, some of whom later became Dragonlance writers. The novel was written after the completion of the first Dragonlance game modules. Weis and Hickman felt this was constraining and made the novel feel too episodic, so they reversed the process for the next books and completed the novels before the related modules were written.

Dragons of Autumn Twilight is a read down the memory lane. If I were to rate it on the basis of my current standards and preferences, it would score 3 stars the most. As it is, it has been one of the earliest fantasy books I have ever read and it still engulfs me in the fuzzy warmth of initial wonder that there are other fantasy books beside the Lord of the Rings and that I can read them and love them as much as I like.
