The Story Of Psychology Morton

Although a nice overview of the history of psychology, Morton Hunt's Story of Psychology isn't objective or serious enough to be considered a seminal work in the social science. To his credit, however, he does attempt to take an increasingly drab subject matter and

bring it into the context of modern humanistic literature.

The Story of Psychology by Morton Hunt is one of the longest, but greatest works I've read. I went into this having little to no prior knowledge on psychology, except for the fact that my sister is majoring in it. However, I have left this being able to give an entire presentation on the history of psychology.
