Human Rights And Private Law

About Human Rights in Private Law Traditionally, the theory of human rights limited its application to the public domain, namely the relationships between individuals and public authorities. The great expansion of human rights legislation and concepts in modern national and international law has given rise to a major issue relating to their potential impact on private relationships.

Human Rights in Private Law: Dan Friedmann: Hart Publishing

About Human Rights and Private Law. Privacy today is much debated as an individual's right against real or feared intrusions by the state, as exemplified by proposed identity cards and surveillance measures in the United Kingdom. In contrast, invasions of privacy by private individuals or bodies tend to arouse less concern.
