Events Management

Event management is the application of project management to the creation and development of small and/or large-scale personal or corporate events such as festivals, conferences, ceremonies, weddings, formal parties, concerts, or conventions. It involves studying the brand, identifying its target audience, devising the event concept, and coordinating the technical aspects before actually ...

Event management - Wikipedia

At its most basic, event management is the process of using business management and organizational skills to envision, plan and execute social and business events. People who specialize in event management work with budgets, schedules, and vendors to create the best possible events

for their clients.

What Does It Take to Succeed in Event Management?

"Event management is the process by which events are conceived, planned, created and assessed. Events are brought to life by the project management of a series of well thought out plans and tasks. Events are experiential by their nature. So management of them means that you must immerse yourself in the event, and not just tick actions off a list. Good event management requires flexibility, strength of character and an ability to connect with people from all walks of life."

What is Event Management? | Event Academy

Event management is the oversight of many administrative details for events such as conferences, festivals, or weddings. An event manager works with staff and vendors to make sure the event is executed according to plan. While event planners tend to work on the overall event concept, event managers deal with the details of its execution.

Event Management: What Is It?

In all areas of business, there are some terms you're never truly sure you know the definition of. However, when it comes to event management, the definition is easy. At its core, event management is the process of planning an event. This is any type of event, whether hosted in-person, virtually, or hybrid. It's synonymous with event planning and meeting planning.
