Audiovisual Translation - Language Transfer on Screen ...

Subtitling is a specific translation exercise that requires different skills from those necessary for traditional translation. For example, it is essential to be more concise for subtitling. Linguists with audiovisual expertise adapt the text to the constraints of the medium: number of characters per second (and per line), length of sentences, spacing of subtitles (in milliseconds), etc.

Audiovisual translation services: subtitling, voice-over ...

When target viewers are deaf or hearing-impaired, subtitling is a mixed intra-semiotic and inter-semiotic type of audiovisual translation, which involves the transcription of oral discourse as well as of supra-segmental traits formed by intonation, inflexion, tone, timbre, and other features of vocal execution, extra-linguistic sound effects or any kind of audible cues crucial to the pragmatic communication of the scene.

Audiovisual Translation and Language Learning: The ...

Chaume (2013) describes audiovisual translation as a “mode of translation characterized by the transfer of audiovisual texts either interlingually or intralingually”. If compared with the translation of literary works, audiovisual translation (AVT) is a relatively new field in Translation Studies.

Audiovisual translation: dubbing or subtitles?

Audiovisual translation technique in which each speaker’s voice is replaced with a corresponding foreign-language audio provided by a voice talent who has been cast for that specific role. That audio matches the performance, pace and lip movement of the original. The lip-sync dubbing approach is used in TV adverts and is the most widespread translation approach for films and TV series in ...

Audiovisual Translation Glossary | Resources | Web ...

One thing that characterizes audiovisual translation, and makes it stand out from the rest of the disciplines is that the texts that are generated ultimately make up a whole with the image they supplement and accompany. In this type of translation, there are difficulties that arise and that are inherent to audiovisual translation. Among these we can find the different types of registers ...
