The Little Book of Big Lies

A Journey into Inner Fitness *HarperCollins*

An inspiring and illuminating guide to true self care, from the sage teacher and breakout star of the critically acclaimed drama, Queen Sugar, from Executive Producers Oprah Winfrey and Ava DuVernay for OWN. Featured on Essence Magazine's Culture List In all your years of schooling, did you ever take a single class that explained how to navigate the hurt, drama, and fear that come with living? Tina Lifford sure didn't. She learned the hard way—through experience as both a Hollywood actress and as the founder of the personal development network The Inner Fitness Project. Now, she brings together her own hard-won insights as well as those of her clients in this helpful and transformative guide. A blend of personal anecdotes and meaningful, practical—and most important, actionable—advice, The Little Book of Big Lies is the life skills class you need to nurture the inner you and move beyond the past. In fourteen raw, personal stories, Tina teaches you how to change your self-perception—to see yourself in the best possible

light, to love and honor what you see, and to forge a new sense of what’s possible in every aspect of your life. But make no mistake, The Little Book of Big Lies is not a “rah-rah” quick fix for fear and pain. Like physical fitness, building and maintaining emotional strength requires continued effort. This invaluable book is the foundation you need to start building inner health and well-being so you can thrive. Tina guides you on a journey of self-discovery that will help you turn shame into self-acceptance, self-rejection into self-love, blame into freedom, and old hurt into power. Wise and powerful, The Little Book of Big Lies will completely change how you think and live.

The Little Book of Big Change

The No-Willpower Approach to Breaking Any Habit *New Harbinger Publications*
Little changes can make a big, big difference! In The Little Book of Big Change, psychologist Amy Johnson shows you how to rewire your brain and overcome your bad habits—once and for all. No matter what your bad habit is, you have the power to change it. Drawing on a powerful combination of neuroscience and spirituality, this book will show you that you are not your habits. Rather, your habits and addictions are the result of simple brain wiring that is easily reversed. By learning to stop bad habits at the source, you will take charge of your habits and addictions for good. Anything done repeatedly has the potential to form neural circuitry in the brain. In this light, habits and addictions are impersonal brain wiring problems that result from taking your habitual thinking as truth, and acting on that thinking in the form of doing your habit—over and over. This book offers a number of small changes you can make in your everyday life that will help you stop your bad habit in its tracks. If you want to understand the science behind your habit, make the decision to end it, and commit to real, lasting change, this book will help you to finally take charge of your life—once and for all.

Because You Are Mine Part I

Because You Tempt Me *Penguin*
THE NEW YORK TIMES BESTSELLING PHENOMENON From Beth Kery, the national bestselling author of Explosive, comes a red-hot romance like no other—where the rules of attraction are broken with that first electrifying touch. Meet Francesca and Ian. The fantasies of what’s to come begin... Because You Are Mine, Part I Because You Tempt Me It starts with that first look, when you know you have to have him... Francesca Arno has been commissioned to create a grand centerpiece painting for the lobby of Ian Noble’s new skyscraper. It’s at a cocktail party in her honor that she first meets him—and the attraction is immediate for Francesca. It’s also bewildering. She’s not used to such a wholesale sexual response to a stranger. Enigmatic, darkly intense, with a commanding presence, Ian completely unnerves her. And she likes it. For Ian, she’s the kind of woman he can’t resist—one that comes all too rarely: a true innocent. But he can sense in her a desire to open up, to experiment, to give herself to the fantasies of a man in control. The first kiss, the first caress, the first challenge for a woman who craves what she’s never had—a man who gets what he wants. More to come. Don't miss Because You Are Mine, Part II, available 8/7

The Little Book of Cosmology *Princeton University Press*

The cutting-edge science that is taking the measure of the universe The Little Book of Cosmology provides a breathtaking look at our universe on the grandest scales imaginable. Written by one of the world's leading experimental cosmologists, this short but deeply insightful book describes what scientists are revealing through precise measurements of the faint thermal afterglow of the Big Bang—known as the cosmic microwave background, or CMB—and how their findings are transforming our view of the cosmos. Blending the latest findings in cosmology with essential concepts from physics, Lyman Page first helps readers to grasp the sheer enormity of the universe, explaining how to understand the history of its formation and evolution in space and time. Then he sheds light on how spatial variations in the CMB formed, how they reveal the age, size, and geometry of the universe, and how they offer a blueprint for the formation of cosmic structure. Not only does Page explain current observations and measurements, he describes how they can be woven together into a unified picture to form the Standard Model of Cosmology. Yet much remains unknown, and this incisive book also describes the search for ever deeper knowledge at the field's frontiers—from quests to understand the nature of neutrinos and dark energy to investigations into the physics of the very early universe.
