The Once and Future King *Good Press*

"The Once and Future King" by T. H. White. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Once & Future King *McClelland & Stewart*

The definitive modern take on the timeless tale of King Arthur and his Knights of the Round table. The legends of King Arthur date back to medieval Europe, and have become some of the dominant myths of Western culture. In *The Once & Future King*, T. H. White reinvents the story for a modern audience. The novel starts by introducing the reader to a young Arthur – just a child, and far from the King he will become – as he is raised by the wizard Merlyn, and moves on to chronicle his rise to Kingship, the affair between Guinevere and Lancelot, and the eventual destruction of the round table. The first section, released independently as *The Sword in the Stone*, was adapted into an animated film by Walt Disney Pictures. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

The Once and Future King *HarperCollins UK*

The extraordinary story of a boy called Wart – ignored by everyone except his tutor, Merlin – who goes on to become King Arthur.

The Once and Future King *Berkley*

A novel about the court of King Arthur, which was the basis for the movie "Camelot". Copyright © Libri GmbH. All rights reserved.

The Once and Future King *Penguin*

T. H. White's masterful retelling of the saga of King Arthur is a fantasy classic as legendary as Excalibur and Camelot, and a poignant story of adventure, romance, and magic that has enchanted readers for generations. Once upon a time, a young boy called "Wart" was tutored by a magician named Merlyn in preparation for a future he couldn't possibly imagine. A future in which he would ally himself with the greatest knights, love a legendary queen and unite a country dedicated to chivalrous values. A future that would see him crowned and known for all time as Arthur, King of the Britons. During Arthur's reign, the kingdom of Camelot was founded to cast enlightenment on the Dark Ages, while the knights of the Round Table embarked on many a noble quest. But Merlyn

foresaw the treachery that awaited his liege: the forbidden love between Queen Guenever and Lancelot, the wicked plots of Arthur's half-sister Morgause and the hatred she fostered in Mordred that would bring an end to the king's dreams for Britain—and to the king himself. "[The Once and Future King] mingles wisdom, wonderful, laugh-out-loud humor and deep sorrow—while telling one of the great tales of the Western world."—Guy Gavriel Kay

T.H. White's The Once and Future King *Boydell & Brewer Ltd*

A critical study of T.H. White's classic Arthurian tetralogy.

The Once and Future King *G.P. Putnam's Sons*

Describes King Arthur's life from his childhood to the coronation, creation of the Round Table, and search for the Holy Grail

The Once and Future King *HarperCollins Publishers*

An omnibus volume of the author's complete story of the Arthurian epic which includes: "The sword in the stone" (1939), "The witch in the wood" (1939), "The ill-made knight" (1940), "The candle in the wind" (published for the first time), and "The book of Merlyn." 1996.

The Book of Merlyn

The Conclusion to the Once and Future King *University of Texas Press*

The long-lost conclusion to *The Once and Future King*, in which King Arthur faces his final battle against his son. This magical account of King Arthur's last night on earth, rediscovered in a collection of T. H. White's papers at the Harry Ransom Center at the University of Texas at Austin, spent twenty-six weeks on the New York Times bestseller list following its publication in 1977. While preparing for his final, fatal battle with his bastard son, Mordred, Arthur returns to the Animal Council with Merlyn, where the deliberations center on ways to abolish war. More self-revealing than any other of White's books, Merlyn shows his mind at work as he agonized over whether to join the fight against Nazi Germany while penning the epic that would become *The Once and Future King*. The Book of Merlyn has been cited as a major influence by such illustrious writers as Kazuo Ishiguro, J. K. Rowling, Helen Macdonald, Neil Gaiman, and Lev Grossman. "Arriving from beyond the curve of time and apparently from the grave, The Book of Merlyn stirs its own pages, saying, wait: you didn't get the whole story. . . . It gives us a final glimpse of those two immortal characters, Wart and Merlyn, up close, slo-mo, with a considered and affectionate scrutiny. The book is an elegiac posting from a master storyteller of the twentieth century. Its reissue in our next century is just as welcome as when it first arrived forty years ago. . . . Certainly the moral questions about the military use of force perplex the world still. . . . The efficacy of treaties, the trading of insults among the potentates of the day, the testing of weapons, the weaponizing of trade—these strategies are still front and center. Rather terrifyingly so. We do well to revisit what that old schoolteacher of children, Merlyn, has been trying to point out to us about power and responsibility." —Gregory Maguire, bestselling author of *Wicked*, from the foreword "Such a small thing, The Book of Merlyn, to hold so much. Joyful

and despairing, heartbreaking, yet full of hope. As wonderful and fearful to read today as it was when I first found it in 1978. And the world has as much need of it today as it did then—more, perhaps. But will the world be ready to listen?” —Mercedes Lackey, New York Times–bestselling author of the Valdemar and Elves on the Road series

The Sword in the Stone *HarperCollins Children's Modern Classics*

This beautiful HarperCollins Children's Modern Classics edition is perfect for every bookshelf.

The Ill-Made Knight

New Special Edition

Lancelot, despite being the bravest of the knights, is ugly, and ape-like, so that he calls himself the Chevalier mal fet - "The Ill-Made Knight". As a child, Lancelot loved King Arthur and spent his entire childhood training to be a knight of the round table. When he arrives and becomes one of Arthur's knights, he also becomes the king's close friend. This causes some tension, as he is jealous of Arthur's new wife Guinevere. In order to please her husband, Guinevere tries to befriend Lancelot and the two eventually fall in love. T.H. White's version of the tale elaborates greatly on the passionate love of Lancelot and Guinevere. Suspense is provided by the tension between Lancelot's friendship for King Arthur and his love for and affair with the queen. We are happy to announce this classic book. Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers. Our goal is to access the very large literary repository of general public books. The main contents of our entire classical books are the original works. To ensure high quality products, all the titles are chosen carefully by our staff. We hope you enjoy this classic.

The Once and Future King

The Rise of Crown Government in America *Encounter Books*

This remarkable book shatters just about every myth surrounding American government, the Constitution, and the Founding Fathers, and offers the clearest warning about the alarming rise of one-man rule in the age of Obama. Most Americans believe that this country uniquely protects liberty, that it does so because of its Constitution, and that for this our thanks must go to the Founders, at their Convention in Philadelphia in 1787. F. H. Buckley's book debunks all these myths. America isn't the freest country around, according to the think tanks that study these things. And it's not the Constitution that made it free, since parliamentary regimes are generally freer than presidential ones. Finally, what we think of as the Constitution, with its separation of powers, was not what the Founders had in mind. What they expected was a country in which Congress would dominate the government, and in which the president would play a much smaller role. Sadly, that's not the government we have today. What we have instead is what Buckley calls Crown government: the rule of an all-powerful president. The country began in a revolt against one king, and today we see the dawn of a new kind of monarchy. What we have is what Founder George Mason called an

“elective monarchy,” which he thought would be worse than the real thing. Much of this is irreversible. Constitutional amendments to redress the balance of power are extremely unlikely, and most Americans seem to have accepted, and even welcomed, Crown government. The way back lies through Congress, and Buckley suggests feasible reforms that it might adopt, to regain the authority and respect it has squandered.

CliffsNotes on White's The Once and Future King *Houghton Mifflin Harcourt*

The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also feature glossaries and visual elements that complement the classic, familiar format. Based on medieval Arthurian legends, CliffsNotes on The Once and Future King is a twentieth-century version of young Arthur's quest for the sword Excalibur and his claim to the throne of England. Including many well-known and much-loved episodes with Merlyn, the sorcerer; Morgan La Fay, the witch; and knights jousting and hounds engaged in the hunt, White's novel adds to the lore surrounding the person of King Arthur. This study guide covers all four volumes of The Once and Future King with special emphasis given to the most popular volume, The Sword in the Stone. Other features that help you study include Character analyses of major players Personal background of the author, T.H. White A critical essay on Arthurian films A review section that tests your knowledge A Resource Center full of books, articles, and websites Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

Candle in the Wind

The fourth book from the collection The Once and Future King by T. H. White. It deals with the last weeks of Arthur's reign, his dealings with his son Mordred's revolts, Guenever and Lancelot's demise, and his perception of right and wrong.

A study guide for T. H. White's "The Once and Future King" *Gale, Cengage Learning*

A study guide for T. H. White's "The Once and Future King", excerpted from Gale's acclaimed Novels for Students series. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Novels for Students for all of your research needs.

Le Morte D'arthur

Once & Future *Little, Brown Books for Young Readers*

King Arthur as you've never seen her! This bold, sizzling YA novel reimagines the Once and Future King as a teenage girl determined to save the universe from an evil curse. My name is Ari Helix. I have a magic sword, a cranky wizard, and a revolution to start. I've been chased my whole life. As a fugitive refugee in the territory controlled by the tyrannical Mercer corporation, I've always had to hide who I am. Until I found Excalibur. Now I'm done hiding. When Ari crash-lands on Old Earth and pulls a magic sword from its ancient resting place, she is revealed to be the newest reincarnation of

King Arthur. Then she meets Merlin, who has aged backward over the centuries into a teenager, and together they must break the curse that keeps Arthur coming back. Their quest? Defeat the cruel, oppressive government and bring peace and equality to all humankind. No pressure. "All hail this worthier-than-ever, fresh, and affirming reincarnation of the legendary king and her round table of knights which dazzles with heroic flair, humor, and suspense." -- Kirkus, Starred Review

The Book of Beasts

Being a Translation from a Latin Bestiary of the Twelfth Century *UW-Madison Libraries Parallel Press*

White's *The Bestiary: A Book of Beasts* was the first and, for a time, the only English translation of a medieval bestiary. White provides an excellent appendix that explains how the creatures of the bestiary influenced the development of allegory and symbolism in art and literature.

The Book of Merlyn

The Conclusion to The Once and Future King *University of Texas Press*

This magical account of King Arthur's last night on earth, rediscovered in a collection of T. H. White's papers at the Harry Ransom Center at the University of Texas at Austin, spent twenty-six weeks on the New York Times bestseller list following its publication in 1977. While preparing for his final, fatal battle with his bastard son, Mordred, Arthur returns to the Animal Council with Merlyn, where the deliberations center on ways to abolish war. More self-revealing than any other of White's books, Merlyn shows his mind at work as he agonized over whether to join the fight against Nazi Germany while penning the epic that would become *The Once and Future King*. The *Book of Merlyn* has been cited as a major influence by such illustrious writers as Kazuo Ishiguro, J. K. Rowling, Helen Macdonald, Neil Gaiman, and Lev Grossman. We do well to revisit what that old schoolteacher of children, Merlyn, has been trying to point out to us about power and responsibility." —Gregory Maguire, from the foreword

The Book of Merlyn

The Unpublished Conclusion to The Once and Future King *University of Texas Press*

Presents the conclusion to "The Once and Future King," in which King Arthur, on his last night on Earth, is brought by Merlin to meet once again with the Animal Council to consider ways to abolish

war.

Graphic Memories of the Civil Rights Movement

Reframing History in Comics *University of Texas Press*

The history of America's civil rights movement is marked by narratives that we hear retold again and again. This has relegated many key figures and turning points to the margins, but graphic novels and graphic memoirs present an opportunity to push against the consensus and create a more complete history. *Graphic Memories of the Civil Rights Movement* showcases five vivid examples of this: Ho Che Anderson's *King* (2005), which complicates the standard biography of Martin Luther King Jr.; Congressman John Lewis's three-volume memoir, *March* (2013–2016); *Darkroom* (2012), by Lila Quintero Weaver, in which the author recalls her Argentinian father's participation in the movement and her childhood as an immigrant in the South; the bestseller *The Silence of Our Friends* by Mark Long, Jim Demonakos, and Nate Powell (2012), set in Houston's Third Ward in 1967; and Howard Cruse's *Stuck Rubber Baby* (1995), whose protagonist is a closeted gay man involved in the movement. In choosing these five works, Jorge Santos also explores how this medium allows readers to participate in collective memory making, and what the books reveal about the process by which history is (re)told, (re)produced, and (re)narrativized. Concluding the work is Santos's interview with Ho Che Anderson.

Rat Queens Vol. 7: The Once and Future King *Image Comics*

A vengeful presence from the past forces the Rat Queens to face their own demons in order to save everything they've ever loved! Can the Queens hold their own legacy together when faced with their greatest challenge yet? A whole new era for the Rat Queens begins here, chronicled by a brand new creative team! Collects RAT QUEENS Volume 2 #16-20

Forget the Alamo

The Rise and Fall of an American Myth *Penguin*

A New York Times bestseller! "Lively and absorbing. . ." — The New York Times Book Review "Engrossing." —Wall Street Journal "Entertaining and well-researched . . ." —Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as *Forget the Alamo* definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish

slavery papered over. Forget the Alamo provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

The Anarchy *Bloomsbury Publishing*

THE TOP 5 SUNDAY TIMES BESTSELLER ONE OF BARACK OBAMA'S BEST BOOKS OF 2019 THE TIMES HISTORY BOOK OF THE YEAR FINALIST FOR THE CUNDILL HISTORY PRIZE 2020 LONGLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NON-FICTION 2019 A FINANCIAL TIMES, OBSERVER, DAILY TELEGRAPH, WALL STREET JOURNAL AND TIMES BOOK OF THE YEAR 'Dalrymple is a superb historian with a visceral understanding of India ... A book of beauty' – Gerard DeGroot, The Times In August 1765 the East India Company defeated the young Mughal emperor and forced him to establish a new administration in his richest provinces. Run by English merchants who collected taxes using a ruthless private army, this new regime saw the East India Company transform itself from an international trading corporation into something much more unusual: an aggressive colonial power in the guise of a multinational business. William Dalrymple tells the remarkable story of the East India Company as it has never been told before, unfolding a timely cautionary tale of the first global corporate power.

Once & Future *Boom! Studios*

The King is Undead. Long live the King. When a group of Nationalists use an ancient artifact to bring a villain from Arthurian myth back from the dead to gain power, ex-monster hunter Bridgette McGuire escapes her retirement home and pulls her unsuspecting grandson Duncan, a museum curator, into a world of magic and mysticism to defeat a legendary threat. Bestselling writer Kieron Gillen (Die, Star Wars) and Russ Manning Award-winning artist Dan Mora (Buffy The Vampire Slayer, Klaus) explore the mysteries of the past, the complicated truths of our history and the power of family to save the day...especially if that family has secret bunkers of ancient weapons and decades of experience hunting the greatest monsters in Britain's history! Collects issues #1-6.

The Coding Manual for Qualitative Researchers *SAGE*

The Second Edition of Johnny Saldaña's international bestseller provides an in-depth guide to the multiple approaches available for coding qualitative data. Fully up to date, it includes new chapters, more coding techniques and an additional glossary. Clear, practical and authoritative, the book: - describes how coding initiates qualitative data analysis -demonstrates the writing of analytic memos -discusses available analytic software -suggests how best to use The Coding Manual for Qualitative Researchers for particular studies. In total, 32 coding methods are profiled that can be applied to a range of research genres from grounded theory to phenomenology to narrative inquiry. For each approach, Saldaña discusses the method's origins, a description of the method, practical applications, and a clearly illustrated example with analytic follow-up. A unique and invaluable reference for students, teachers, and practitioners of qualitative inquiry, this book is essential reading across the social sciences.

The Once and Future Witches *Redhook*

"A gorgeous and thrilling paean to the ferocious power of women. The characters live, bleed, and roar. "—Laini Taylor, New York Times bestselling author A NEW YORK TIMES BESTSELLER • Winner of

the British Fantasy Award for Best Fantasy Novel • Named One of the Best Books of the Year by NPR Books • Barnes and Noble • BookPage In the late 1800s, three sisters use witchcraft to change the course of history in this powerful novel of magic, family, and the suffragette movement. In 1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box. But when the Eastwood sisters—James Juniper, Agnes Amaranth, and Beatrice Belladonna—join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote—and perhaps not even to live—the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive. There's no such thing as witches. But there will be. An homage to the indomitable power and persistence of women, *The Once and Future Witches* reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling. Praise for *The Once and Future Witches*: "A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, sundered sisters hold the key to bring it back...A tale that will sweep you away."—Yangsze Choo, *New York Times* bestselling author "This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen."—P. Djèlí Clark, author *The Black God's Drum* For more from Alix E. Harrow, check out *The Ten Thousand Doors of January*.

The Mists of Avalon

A Novel Ballantine Books

The magical saga of the women behind King Arthur's throne. "A monumental reimagining of the Arthurian legends . . . reading it is a deeply moving and at times uncanny experience. . . . An impressive achievement."—*The New York Times Book Review* In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and old and new religions' claims its most famous victim.

False Alarm

How Climate Change Panic Costs Us Trillions, Hurts the Poor, and Fails to Fix the Planet

The *New York Times*-bestselling "skeptical environmentalist" argues that panic over climate change is causing more harm than good Hurricanes batter our coasts. Wildfires rage across the American

West. Glaciers collapse in the Arctic. Politicians, activists, and the media espouse a common message: climate change is destroying the planet, and we must take drastic action immediately to stop it. Children panic about their future, and adults wonder if it is even ethical to bring new life into the world. Enough, argues bestselling author Bjorn Lomborg. Climate change is real, but it's not the apocalyptic threat that we've been told it is. Projections of Earth's imminent demise are based on bad science and even worse economics. In panic, world leaders have committed to wildly expensive but largely ineffective policies that hamper growth and crowd out more pressing investments in human capital, from immunization to education. *False Alarm* will convince you that everything you think about climate change is wrong -- and points the way toward making the world a vastly better, if slightly warmer, place for us all.

Mistress Masham's Repose *New York Review of Books*

"She saw: first, a square opening, about eight inches wide, in the lowest step...finally she saw that there was a walnut shell, or half one, outside the nearest door...she went to look at the shell—but looked with the greatest astonishment. There was a baby in it." So ten-year-old Maria, orphaned mistress of Malplaquet, discovers the secret of her deteriorating estate: on a deserted island at its far corner, in the temple long ago nicknamed Mistress Masham's Repose, live an entire community of people—"The People," as they call themselves—all only inches tall. With the help of her only friend—the absurdly erudite Professor—Maria soon learns that this settlement is no less than the kingdom of Lilliput (first seen in *Gulliver's Travels*) in exile. Safely hidden for centuries, the Lilliputians are at first endangered by Maria's well-meaning but clumsy attempts to make their lives easier, but their situation grows truly ominous when they are discovered by Maria's greedy guardians, who look at The People and see only a bundle of money.

The Truth of the Once and Future King: Arthur Pendragon by Emrys *Lulu.com*

Part of *The Round Table Chronicles* You've all heard the story: how Arthur Pendragon, son of the tyrant King Uther, vanquished all in his path with the aid of his fellow knights. How Merlin, a young sorcerer, born with magic, helped the young king achieve great things. How Merlin served Arthur, and how they formed an unbreakable bond. How their friendship was so strong, that they were unbeatable. You've probably also heard how Arthur married the love of his life: a lonely black smith's daughter named Guinevere. And how you must of heard of Arthur's corrupted sister, Morgana, and the terror in which consumed her. And of course, Arthur's end: the druid boy Mordred. How wrong you are. You know nothing. The stories you have heard are just that: stories. Now, let me tell you what actually happened, for I know more than anyone. For I am... Emrys. *The Truth of the Once and Future King: Arthur Pendragon* by Emrys Tristan and the Lure of Caraval

The Once and Future King *Berkley*
