The Dogs I Have Kissed *CreateSpace*

Known for her eponymous blog and her confessional style of writing, this is Trista Mateer's second collection of poetry. REVIEW: "The Dogs I Have Kissed is the kind of book you could read in one sitting and the kind of book you want to tuck underneath your pillow for a month. It's gripping and powerful and disturbingly honest. There are poems that are incredibly comforting and others that are so painful. Trista has the rare talent of writing poems that are both good and true. In terms of literary art, this chapbook is brilliant. Trista weaves together religious overtones with raw sensuality and heartache. She's so

purposeful with the imagery, connecting and breaking motifs from each section of the book: how peaches become cherries, how salt is everywhere, the shape of same-different mouths. There is this lovely irony in these poems, how sometimes the speaker of these poems is the one who is described like a dog: sloppy, rabid, hungry, whining. Maybe that's not an irony at all. The Dogs I Have Kissed is for anyone who has felt the tough underside of love, anyone who has been angry and hurt and still strangely hopeful. One of the most striking lines in the entire book is something I keep thinking about: 'Is this okay, is this okay, is this okay, or does it make me weak?' Do

**New American Best
Friend** *Button Poetry*
One of the most

recognizable young poets in America, Olivia Gatwood dazzles with her tribute to contemporary American womanhood in her debut book, *New American Best Friend*. Gatwood's poems deftly deconstruct traditional stereotypes. The focus shifts from childhood to adulthood, gender to sexuality, violence to joy. And always and inexorably, the book moves toward celebration, culminating in a series of odes: odes to the body, to tough women, to embracing your own journey in all its failures and triumphs.

A Writer's Craft

Multi-Genre Creative Writing *Macmillan International Higher Education*

This introductory

creative writing text uses a unique, multi-genre approach to provide students with a broad-based knowledge of their craft, treating them as professional writers. Beginning by discussing elements common to all genres, this book underscores the importance of learning good writing habits before committing to a genre, encouraging writers to look beyond their genre expectations and learn from other forms. The book then devotes one chapter to each of the major literary genres: fiction, poetry, drama and creative nonfiction. These style-specific sections provide depth as they compare the different genres, furnishing students with a comprehensive

understanding of creative writing as a discipline and fostering creativity. The discussion concludes with a chapter on digital media and an appendix on literary citizenship and publishing. With exercises at the end of each chapter, a glossary of literary terms, and a list of resources for further study, *A Writer's Craft* is the ideal companion to an introductory creative writing class.

The Terrible

A Storyteller's Memoir *Penguin*

Winner of the PEN Ackerley Prize • Longlisted for the 2019 PEN Open Book Award
 “Devastating and lyrical.” —The New York Times
 “Suspenseful and

affecting.” —The New Yorker
 From the celebrated poet behind *bone*, a collection of poems that tells a story of coming-of-age, uncovering the cruelty and beauty of the world, going under, and finding redemption. Through her signature sharp, searing poems, this is the story of Yrsa Daley-Ward and all the things that happened. “Even the terrible things. And God, there were terrible things.” It’s about her childhood in the northwest of England with her beautiful, careworn mother Marcia; the man formerly known as Dad (half fun, half frightening); and her little brother Roo, who sees things written in the stars. It’s also about the surreal magic of adolescence,

about growing up and discovering the power and fear of sexuality, about pitch-gray days of pills and powder and connection. It's about damage and pain, but also joy. With raw intensity and shocking honesty, *The Terrible* is a collection of poems that tells the story of what it means to lose yourself and find your voice. "You may not run away from the thing that you are because it comes and comes and comes as sure as you breathe."
