This is the story of Ella, told from two different time periods. The first is from one year ago, the night she, Matt and her friends decided to simply say yes to everything for a night of magical adventures. Then there is now,

after Matt broke her heart and things are different.

The Night We Said Yes (Paperback) - Walmart.com

'The Night We Said Yes' is a story about flawed characters. It's well written, but on the whole, it's a story that could be of any teenager... and that was just it... I felt like it was an anecdote from my past, or my friends past. There wasn't anything extraordinary to grip me from this tale. The teen drama was just so juvenile.
