In this book, I have examined the evolution, structure, and practice of police interrogation in the American criminal justice system. I have argued that police interrogators act like highly partisan adversaries in order to manage the contradictions underlying interrogation in America. The guiding principle of the American adversary system is that every actor should pursue his or her own self-interest.

In this book, Richard A. Leo sheds light on a little-known corner of our criminal justice system—the police interrogation. Incriminating statements are necessary

to solve crimes, but suspects almost never have reason to provide them. Therefore, as Leo shows, crime units have developed sophisticated interrogation methods that rely on persuasion, manipulation, and deception to move a subject from denial to admission, serving to shore up the case against him.
