Corporate governance and ethics: A feminist perspective ...

Corporate governance includes the processes through which corporations' objectives are set and pursued in the

context of the social, regulatory and market environment. These include monitoring the actions, policies, practices, and decisions of corporations, their agents, and affected stakeholders.

Corporate governance - Wikipedia

There is a belief that organisations should have some corporate social responsibility. With social responsibility there is social accountability - organisations must account for their actions. The belief means that there may be a difference between how the world is

now and how it should be. An introduction to the subject can be found [here](#).

Theories of corporate social responsibility

Using a range of case-studies, this book analyzes corporate governance relationships between several African countries and the international community, providing an ethical assessment of issues surrounding globalization and adherence to external governance mechanisms.
