The Core: Book Five of the Demon Cycle

Del Rey

New York Times bestselling author Peter V. Brett brings one of the most imaginative fantasy sagas of the twenty-first century to an epic close. For time out of mind, bloodthirsty demons have stalked the night, culling the human race to scattered remnants dependent on half-

forgotten magics to protect them. Then two heroes arose--men as close as brothers, yet divided by bitter betrayal. Arlen Bales became known as the Warded Man, tattooed head to toe with powerful magic symbols that enable him to fight demons in hand-to-hand combat--and emerge victorious. Jardir, armed with magically warded weapons, called himself the Deliverer, a figure prophesied to unite humanity and lead them to triumph in Sharak Ka--the final war against demonkind. But in their efforts to bring the war to the demons, Arlen and Jardir have set something in motion that may prove the end of everything they hold dear--a swarm. Now the war is at hand, and

humanity cannot hope to win it unless Arlen and Jardir, with the help of Arlen's wife, Renna, can bend a captured demon prince to their will and force the devious creature to lead them to the Core, where the Mother of Demons breeds an inexhaustible army. Trusting their closest confidantes, Leesha, Inevera, Ragen, and Elissa, to rally the fractious people of the Free Cities and lead them against the swarm, Arlen, Renna, and Jardir set out on a desperate quest into the darkest depths of evil--from which none of them expects to return alive. THRONE | THE CORE Praise for The Core "Thoroughly addicting . . . a thrilling adventure that is, without question, [Brett's] greatest achievement yet."--Bookreporter "Rewarding . . . Congratulations to Peter Brett on completing a fantastic series."--SFFWorld

The Daylight War *Del Rey*

As reluctant savior Arlen Bales denies he is the Deliverer, the one prophesied to unite the remnants of humanity against the army of demons that rises each night, Ahmann Jardir initiates a bitter rivalry with Arlen when he claims the title for himself.

The Desert Spear *Random House Digital, Inc.*

A follow-up to the best-selling *The Warded Man* continues the adventures of reluctant savior Arlen Bales, who wonders at the identity of a spear-wielding figure that emerges from the desert and leads a vast army intent on a holy war. Reprint.

Barren *HarperCollins*

New York Times bestselling author Peter V. Brett returns to his groundbreaking *Demon Cycle* series with this enthralling novella—the latest story set in his much-loved fantasy world. Each night, the world is overrun by bloodthirsty demons. For centuries, humanity survived only by hiding behind defensive wards—magical symbols with the power to repel the

demons. Now, the rediscovery of long-forgotten combat wards has given them the magic they need to fight back. In Tippet's Brook, the fighting wards have brought change, but the factions and grudges of a troubled past remain. Selia Square, the woman they call Barren, has long been the force that holds the Brook together. As a terrifying new threat emerges, she rallies her people once again. But Selia has a past of her own. And in a small community the personal and the political can never be divided. If Tippet's Brook is to survive, Selia must uncover memories she has buried deep—the woman she once was, the woman she once loved—and retell their

story.

The Desert Prince

Del Rey

A brand-new epic fantasy adventure set in the beloved world of the Demon Cycle, following a new generation of heroes, from New York Times bestselling author Peter V. Brett “Heart-wrenching, smart, and modern . . . The Desert Prince has set a new standard for fantasy.”—Wesley Chu, #1 New York Times bestselling author of The War Arts Saga Fifteen years have passed since the end of the war with demons, creatures of darkness who have hunted the night and plagued humanity since time out of mind. The heroes of humanity’s hour of need have become

legend, and those who remain struggle to escape their shadows. Olive Paper and Darin Bales have grown up in this new peaceful world. Demons have been all but destroyed, but dangers still lurk for the children of heroes. Olive, princess of Hollow, has her entire life planned out by her mother, Duchess Leesha Paper: a steady march on a checklist to prepare her for succession. The more her mother writes the script, the more Olive rails against playing the parts she is assigned. Darin faces challenges of a different kind. Though free to choose his own path, the weight of legacy hangs heavy around his shoulders. It isn’t easy being the son of the man people say saved

the world. Everyone expects greatness from Darin, but the only thing he's ever been great at is hiding. But when Olive and Darin step across the wards one night, they learn the demons are not all gone, and those that remain hunger for revenge. Events are set in motion that only prophecy can foresee as Olive and Darin seek to find their own places in the world in time to save it again.

The Skull Throne *Del Rey*

"Built from the skulls of fallen generals and demon princes, the Skull Throne of Krasia is a seat of honor and powerful magic that keeps the demon corelings at bay. Now it stands empty. From atop it, Ahmann Jardir was meant to conquer

the known world, forging a unified army to end the demon war once and for all. Arlen Bales, the Warded Man, stood against this course, challenging Jardir to a duel to the death. Rather than risk defeat, Arlen cast Jardir and himself from a precipice, opening a struggle for succession that threatens to tear the Free Cities of Thesa apart"--Back cover.

ONE OF THE BEST
BOOKS OF THE YEAR
BY BUZZFEED The first
three novels in Peter V.
Brett's groundbreaking
Demon Cycle
series—The Warded
Man, The Desert Spear,
and The Daylight
War—set a new
standard for heroic
fantasy. The powerful
saga of humans
winnowed to the brink
of extinction by night-
stalking demons, and
the survivors who fight
back, has kept readers
breathless as they
eagerly turned the
pages. Now the
thrilling fourth volume,
The Skull Throne,
raises the stakes as it
carries the action in
shocking new
directions. The Skull
Throne of Krasia stands
empty. Built from the

skulls of fallen generals
and demon princes, it
is a seat of honor and
ancient, powerful
magic, keeping the
demon corelings at
bay. From atop the
throne, Ahmann Jardir
was meant to conquer
the known world,
forging its isolated
peoples into a unified
army to rise up and
end the demon war
once and for all. But
Arlen Bales, the
Warded Man, stood
against this course,
challenging Jardir to a
duel he could not in
honor refuse. Rather
than risk defeat, Arlen
cast them both from a
precipice, leaving the
world without a savior,
and opening a struggle
for succession that
threatens to tear the
Free Cities of Thesa
apart. In the south,
Inevera, Jardir's first
wife, must find a way

to keep their sons from killing one another and plunging their people into civil war as they strive for glory enough to make a claim on the throne. In the north, Leesha Paper and Rojer Inn struggle to forge an alliance between the duchies of Angiers and Miln against the Krasians before it is too late. Caught in the crossfire is the duchy of Lakton—rich and unprotected, ripe for conquest. All the while, the corelings have been growing stronger, and without Arlen and Jardir there may be none strong enough to stop them. Only Renna Bales may know more about the fate of the missing men, but she, too, has disappeared. . . . Look for Peter V. Brett's complete Demon Cycle: THE WARDED MAN | THE

third volume in Brett's
internationally
bestselling *Demon
Cycle*, continues the
epic tale of humanity's
last stand against an
army of demons that
rise each night to prey
on mankind. On the
night of the new moon,
the demons rise in
force, seeking the

deaths of two men,
both of whom have the
potential to become
the fabled Deliverer,
the man prophesied to
reunite the scattered
remnants of humanity
in a final push to
destroy the demon
corelings once and for
all. Arlen Bales was
once an ordinary man,
but now he has
become something
more—the Warded
Man, tattooed with
eldritch wards so
powerful they make
him a match for any
demon. Arlen denies
he is the Deliverer at
every turn, but the
more he tries to be one
with the common folk,
the more fervently
they believe. Many
would follow him, but
Arlen's path threatens
to lead to a dark place
he alone can travel to,
and from which there
may be no returning.

The only one with hope of keeping Arlen in the world of men, or joining him in his descent into the world of demons, is Renna Tanner, a fierce young woman in danger of losing herself to the power of demon magic. Ahmann Jardir has forged the warlike desert tribes of Krasia into a demon-killing army and proclaimed himself Shar'Dama Ka, the Deliverer. He carries ancient weapons—a spear and a crown—that give credence to his claim, and already vast swaths of the green lands bow to his control. But Jardir did not come to power on his own. His rise was engineered by his First Wife, Inevera, a cunning and powerful priestess whose formidable demon bone magic gives her the ability to glimpse the future. Inevera's motives and past are shrouded in mystery, and even Jardir does not entirely trust her. Once Arlen and Jardir were as close as brothers. Now they are the bitterest of rivals. Salt Water and Spear Tips *Vanguard Press*

A Danish filmmaker, under the apprenticeship of three Papua New Guinean master sailors, set off from Milne Bay, Papua New Guinea, on the 30th of August 2016 on a world-record circumnavigation of the island of New Guinea in a traditional sailing canoe called the *Tawali Pasana*. Over the course of 13 months and 21 days -

and some 6300 km of high adventure - what became known as 'the fellowship of the Tawali Pasana' created a modern-day odyssey (on a shoestring budget) battling relentless monsoon winds, dangerous seas, pirates and crocodiles. Prevailing against all the odds, the voyage generated enormous media coverage and inspired the young people of New Guinea to celebrate their extraordinary seafaring culture. "Sailing a traditional outrigger canoe around the vast island of New Guinea is a journey through time, across myriad cultures upon the far-flung seas of Arafura, Seram, Bismarck, and the Pacific Ocean. Thor's voyage shows that, in

the 21st Century, there are still great adventures!" Peter Hillary "The very first circumnavigation of New Guinea in a traditional sailing canoe again illustrates, as my father auspiciously once said, "To travel, to experience and learn ... that is to live." Norbu Tenzing Norgay "Thor's adventure is an encouragement to anyone who - dares to do." Sarah Outen
