What Happened (McClellan book) - Wikipedia

He originally believed Bush's campaign promise that he would change the culture in Washington D.C., but he was completely disappointed. His book *What Happened, Inside the Bush White House and Washington's Culture of Deception* was a criticism of what he felt went wrong with the Bush presidency. He wrote that Bush was not truthful with the public, was incapable of changing his mind after he made a decision and approached everything like it was a political campaign where winning the debate ...
