The offender will also be saved from the negative effect of being incarcerated such as family breakdown, social stigma and rejection. The offender will have a normal life while at the same time be rehabilitated. Alternative programs always aim at solving the problems faced by the offender which makes them more likely to commit crimes.

Criminal Rehabilitation and Alternatives to Incarceration

Retribution and punishment should thus take second place to social measures for, and education and rehabilitation of young offenders. Deprivation of liberty should be a last resort.

Alternative Offender Rehabilitation and Social Justice ...

The current model of offender management is a comparatively recent innovation, dating back to the mid-2000s. It was created as part of a wider strategy to coordinate and consolidate the Prison and Probation Services, which had previously been relatively independent. In particular, the then government wanted to address a perceived problem: that it was too easy for life-sentenced prisoners (and ...

A European perspective. A recent (July 2015) report from the European Monitoring Centre for Drugs and Drug Abuse on alternatives to punishment for drug using offenders makes for interesting reading. Different countries have been targeting the criminal justice system as a way of trying to engage drug users into treatment and prevent very high levels of crime for the last 40 years or so.
