As Johnson writes in a theme issue on

the ethnography of language policy, this is both an ongoing challenge and an opportunity, as the ethnography of language policy balances “a critical understanding of the hegemony of policy” with an “understanding of the power of language policy actors” to interpret, appropriate, and transform repressive language policies (p. 2).

Ethnography And Language Policy

This chapter explores the history, development, and role of ethnographic research in understanding de facto and de jure language policies. With its roots in anthropology, ethnography is characterized by the contextualization of cultural and linguistic phenomena and close attention to participants' point of view.

Ethnography and Language Policy: L. Mccarty, Teresa ...

This chapter explores all three facets of ethnography - seeing, looking, and being - applied to research in language planning and policy (LPP). As a way of seeing, ethnography finds its orienting purpose in a "concern with cultural interpretation". For ethnographers of LPP, this entails a view of policy as a situated sociocultural process: the practices, ideologies, attitudes, and mechanisms that influence people's

language choices in pervasive everyday ways.
