How to Get Rid of Bad Dreams *Scholastic*

Suggests in a lighthearted way that children can learn to be in control of their nightmares.

Get Rid of Him *Grand Central Publishing*

Joyce L. Vedral shows you how to draw on your inner strength, common sense, and special talents to make daring, life-enhancing decisions about men, love, and marriage.

How to Get Rid of Ghosts *Insight Kids*

Describes different way to handle ghosts, including weaving big spider webs to trap them, punishing them by making them write lines, and blowing them away with a hair dryer.

How to Get Rid of Homeless

How to get rid of homeless is a monumental project. A 600-page epic split in two volumes documenting the so-called "homeless scandal" that affected the newly released game SimCity (Maxis/Electronic Arts, 2013), How to get rid of homeless reproduces dozens of threads concerning "homelessness" that appeared in Electronic Arts' online forum between 2012 and 2013. Matteo Bittanti collected, selected, and transcribed thousands of messages exchanged by the forum members who first experienced and then tried to "eradicate" the phenomenon of homelessness that "plagued" SimCity. From surprise to despair, from shock to resignation, these posts highlight the pitfalls of simulation, the not-so-subtle effects of ideology on game design, and the interplay between play and society, politics and entertainment. Decontextualized from their original source and reproduced on paper sans the majority of online communication hallmarks (e.g. author's signatures, side banners, avatar pictures etc.), these textual exchanges create a peculiar narrative. Some of the dialogues' absurdist tones evoke Ionesco's plays. Others reveal racist and classist biases, and forcefully introduce - or, rather, reintroduce - a highly political vision that the alleged "neutral" algorithms were supposed to overcome.

How to Get Rid of a Man

After being married for 7 years, I literally walked my husband out of the door. I used weapons such as disrespect, cheating, stubbornness, and emasculation.

You Can Only Yell at Me for One Thing at a Time

Rules for Couples *Celadon Books*

The perfect Valentine's Day or anniversary gift: An illustrated collection of love and relationship advice from New Yorker writer Patricia Marx, with illustrations from New Yorker cartoonist Roz Chast. Everyone's heard the old advice for a healthy relationship: Never go to bed angry. Play hard to get. Sexual favors in exchange for cleaning up the cat vomit is a good and fair trade. Okay, not that last one. It's one of the tips in *You Can Only Yell at Me for One Thing at a Time: Rules for Couples* by the authors of *Why Don't You Write My Eulogy Now So I Can Correct It: A Mother's Suggestions*. This guide will make you laugh, remind you why your relationship is better than everyone else's, and solve all your problems. Nuggets of advice include: If you must breathe, don't breathe so loudly. It is easier to stay inside and wait for the snow to melt than to fight about who should shovel. Queen-sized beds, king-sized blankets. Why not give this book to your significant or insignificant other, your anti-Valentine's Day crusader pal, or anyone who can't live with or without love?

The Hat Man

A Guide in Comics on How to Get Rid of Dark Beings for All Ages *Hat Man*

You thought you saw something in the corner of your eye, you turn to look and it's either gone-or CLOSER! It's black and it takes the form of Hat Man or other dark beings! For adults and children alike, these things are causing horror worldwide. One thing to know is that you are not alone and you CAN keep them away with this book as a guide!

How to Get Rid of Belly Fat

Based On Newest Scientific Researches *ZeroNever*

Do you want to achieve a flat tummy the fastest way possible? Pot belly can ruin your social confidence in many different ways; you can't wear those new outfits; and every time you need to

pull your shirt off on the beach you begin to wonder if people are going to laugh at your fat belly; as a result, you begin to eat carefully, becoming too anxious of your diet. You have tried different methods of weight loss in order to stay in shape but have ultimately failed you. Not to fret, there are still methods for controlling and reducing belly fat that are healthy and very comfortable to implement. *How to Lose Belly Fat as Fast as Possible* The most effective methods of weight loss are the ones often ignored by experts. Starting from dieting and exercising, there are way too simple techniques to stay in shape without the need to stress or restrict your nourishment. The common reason most people give up easily on the weight loss journey is the stress and hard work being encountered at the initial steps. Fortunately, this book has provided the latest alternatives based on newest scientific researches. Researches are strictly focused on achieving flat tummy based on success histories. The tips, ideas and steps provided in this book are deducted from researches and studies performed on groups of both men and women of different age groups. For example, 16 women with belly fat were analysed in the University California, where 8 performed a series of simple adjustments on the way they begin their mornings. The 8 recorded a significant decrease on their belly fat compared to the second group of 8. Different approaches have been stated in this book and you are free to choose the best method that will fit your schedules and lifestyle. The earlier you begin to implement these methods, the faster you will get a flat stomach and also a slimmer waist, if you are a woman. What are you waiting for? Add this book to your library and you will never regret you did. How To Get Rid Of Lice Easily *CATEK International*

How to Get Rid of a President

History's Guide to Removing Unpopular, Unable, or Unfit Chief Executives *PublicAffairs*

A vivid political history of the schemes, plots, maneuvers, and conspiracies that have attempted -- successfully and not -- to remove unwanted presidents To limit executive power, the founding fathers created fixed presidential terms of four years, giving voters regular opportunities to remove their leaders. Even so, Americans have often resorted to more dramatic paths to disempower the chief executive. The American presidency has seen it all, from rejecting a sitting president's renomination bid and undermining their authority in office to the more drastic methods of impeachment, and, most brutal of all, assassination. *How to Get Rid of a President* showcases the political dark arts in action: a stew of election dramas, national tragedies, and presidential departures mixed with party intrigue, personal betrayal, and backroom shenanigans. This briskly paced, darkly humorous voyage proves that while the pomp and circumstance of presidential elections might draw more attention, the way that presidents are removed teaches us much more about our political order.

How to Get Rid of Cellulite

J.D. Rockefeller

Cellulite which is also known as several things such as, adiposis edematosa, or dermopanniculosis is the herniation of fat within the connective tissue which moves to the surface of the skin and looks like skin dimpling. Cellulite is often located in the pelvic area, in the legs, and in the stomach area. Cellulite typically happens in females after they hit puberty. It can result from a difficult combination of factors that can range from hormones to heredity in the family.

How to Get Rid of a Housemother

A Comedy for Girls in One Act *Baker's Plays*

What is Acne and How to Get Rid of It

J.D. Rockefeller

Acne is also called by its medical name, "acne vulgaris." This is a condition that lasts for a very long

time that shows up with areas of blackheads, whiteheads, pimples, greasy skin, and, more than likely, scarring. Individuals that normally have acne have bouts of depression and anxiety, but most of them just have low self-esteem, but with the ones that have severe bouts of depression thoughts of suicide are also common because of their appearance. Studies have shown that about 80% of acne cases are caused by genetics and hormones mainly during the adolescent years of someone's life. Someone in their family had a severe case of acne and then passed it along to their kids and so on. It is still unclear as to if having a certain diet is the cause of acne and it is also unclear if having dirty skin or sun can cause it. The areas where acne is located is where the oily glands are located which are the face, the upper part of the chest, and your back. There was one study that was done that says smoking cigarettes increases the risk of getting acne and also on how severe it can get and there is still being research done. In this book you will learn: Table of Contents What is Acne? The Different Types of Pimples Home Remedies for the Nasty Pimples and Acne Other Ways of for Treating Acne, Acne Scars, and Skin Damage Ways to Prevent Scars or Help Scars Heal How to Prevent Back Acne Take advantage of this great opportunity to learn how to get rid of acne and achieve the beautiful skin you've always wanted. So, let's get started!

How to Get Rid of Asthma Naturally *JD-Biz Corp Publishing*

How to Get Rid of Asthma Naturally - Health Learning Series Table of Contents. Introduction. Section one- Asthma - an overview. Asthma - What is Asthma? Symptoms - When you know it's coming... Risk factors and Complications - Why you should bother trying to avoid asthma? Section Two- Reducing Asthma in a natural way. Natural remedies - Who needs a doctor? Try some homemade remedies. Go green, Go for herbs. What to eat, what to avoid? Healthy life style - An effective prophylaxis. Use air conditioner. Change your room décor. Reduce mold spores. Reduce pet dander. Cover your mouth and nose. Stay healthy Get regular exercise. Maintain normal weight. Eat healthy Control heart burn Introduction. "An estimated 22 million Americans have asthma; 6.5 million are under 18" (American College of Allergy, Asthma & Immunology) Asthma is a serious complication of respiratory track which causes symptoms like chest congestion, coughing and difficulty in breathing. "In America alone, asthma causes 4,000 deaths per year" (American College of Allergy, Asthma & Immunology) Environmental pollution and too much exposure to harmful chemicals have significantly increased the susceptibility of people getting asthma. The death toll is expected rise even further. The cost of treatment of asthma is increasing. Accept it- No one likes going to a doctor. A single visit to a doctor costs too much. "Americans spend, through direct and indirect expenses, a total of \$19.7 million each year for the treatment of asthma" (American College of Allergy, Asthma & Immunology) This book focuses on describing all the possible natural treatments of asthma. You don't have to go to great lengths to cure asthma. Sometimes, simple things in your cupboard or refrigerator can serve as homemade remedies for asthma. Another natural way is to treat asthma with herbs. Herbs are being used for the treatment of several ailments for thousands of years. But, it's an astounding fact that people consider them unsafe and difficult to use. Several experimentations have proved that herbs can cure several health conditions with virtually zero side effects. A simple change in life style can also help in curing asthma. Asthmatic attacks, in some cases, are triggered by eating certain food substances. So, having knowledge of what to eat and

what to skip can actually decrease the frequency of asthmatic attacks. Section one - Asthma – an overview Asthma – What is Asthma? Asthma is a common health condition related to an immune reaction taking place in the respiratory track. It’s a breathing disorder characterized by several symptoms like air way obstruction, difficulty in breathing, tightness of chest, coughing and wheezing. For most of the people asthma is not a big problem. But, in reality it can cause serious hindrance in performing routine activities. If it goes untreated, it can produce serious and life threatening conditions. Asthma is an immune reaction triggered when the respiratory track is exposed to certain irritating stimuli. Human body has got a strong immune system which protects it from the harmful effects of foreign substances like chemicals, pollutants and organisms like bacteria and viruses. An important component of this immune system is “mast cells”. These cells respond to the presence of certain “antigens” and release several mediators of inflammation, in the presence of these antigens. For example, if these cells are exposed to the smoke of cigarette, they’ll release several chemicals which, in turn, will start a cascade of events leading to the development of symptoms of inflammation. These mediators cause spasm in the muscles of respiratory track, increase the production of mucus and make the respiration difficult. Asthma is a combination of several environmental and genetic factors.

How to Get Rid of Stretch Marks Naturally *HealthAmen*

Are you still struggling with buying different creams for your stretch marks treatment? Have you tried so many methods to get back your beautiful skin but failed? This book outlines the best natural methods people like you have used to get rid of their stretch marks. Back Pain: How to Get Rid of It Forever - Volume 2: The Cures

JP Publishing Aistralia

The title says it all: this book will help you permanently banish your back pain. In two logical volumes, it shows you how to feel better. The first volume makes it easy for you to understand your back pain. Using simple, clear language, it explains the structure of your spine, and demystifies many common pain-provoking conditions. This second book offers a unique quiz that will help you to classify your injury into one of four types. In this way, you will learn how to cure your pain, not someone else's. Then the advice flows thick and fast. You will learn clever techniques that will help you to use your spine more efficiently, and discover how to think, eat, relax, and sleep away your pain. You'll also find useful information on exercises, x-rays, medication and muscles, plus some tips on how to choose a spinal health practitioner. Of course, all of the advice will be tailored to your specific problem. Because the cure uses well-proven techniques, your relief won't just last a few days or weeks. You will feel better forever.

Due to the complexity of the problem and your uniqueness as a human being, the only person who can resolve it is you. Chronic pain can affect any region of the body or biological system.

Get Rid of the Performance Review!

How Companies Can Stop Intimidating, Start Managing--and Focus on What Really Matters *Business Plus*

The performance review. It is one of the most insidious, most damaging, and yet most ubiquitous of corporate activities. We all hate it. And yet nobody does anything about it. Until now... Straight-talking Sam Culbert, management guru and UCLA professor, minces no words as he puts managers on notice that -- with the performance review as their weapon of choice -- they have built a corporate culture based on intimidation and fear. Teaming up with Wall Street Journal Senior Editor Lawrence Rout, he shows us why performance reviews are bogus and how they undermine both creativity and productivity. And he puts a good deal of the blame squarely on human resources professionals, who perpetuate the very practice that they should be trying to eliminate. But Culbert does more than merely tear down. He also offers a substitute -- the performance preview -- that will actually accomplish the tasks that performance reviews were supposed to, but never will: holding people accountable for their actions and their results, and giving managers and their employees the kind of feedback they need for improving their skills and to give the company more of what it needs. With passion, humor, and a rare insight into what motivates all of us to do our best, Culbert offers all of us a chance to be better managers, better employees and, indeed, better people. Culbert has long said his goal is to make the world of work fit for human consumption. "Get Rid of the Performance Review!" shows us how to do just that.

The Art of Discarding

How to Get Rid of Clutter and Find Joy *Hachette Books*

The book that inspired Marie Kondo's The Life Changing Magic of Tidying Up, Nagisa Tatsumi's international bestseller offers a practical plan to figure out what to keep and what to discard so you can get--and stay--tidy, once and for all. Practical and inspiring, The Art of Discarding (the book that originally inspired a young Marie Kondo to start cleaning up her closets) offers hands-on advice and easy-to-follow guidelines to help readers learn how to finally let go of stuff that is holding them back -- as well as sage advice on acquiring less in the first place. Author Nagisa Tatsumi urges us to reflect on our attitude to possessing things and to have the courage and conviction to get rid of all the stuff we really don't need, offering advice on how to tackle the things that pile up at home and take back control. By learning the art of discarding you will gain space, free yourself from "accumulation syndrome," and find new joy and purpose in your clutter-free life.

Get Rid of Boat Odors!

A Boat Owner's Guide to Marine Sanitation Systems and Other Sources of Aggravation and Odor *Seaworthy Publications Incorporated*

"Get Rid of Boat Odors," by Peggie Hall, known by many of her fans as "The Headmistress," will teach you how to eliminate annoying odors on your boat by treating the source instead of perfuming the symptoms. It covers all aspect of marine sanitation as well as other odor causing problems, like dirty bilge areas, in an easy to understand format. The focus is to instruct the reader on how to resolve odor problems, not just disguise them. In addition, there are extensive appendices providing detailed contact information on equipment manufacturers and schematics of most major brands and models of marine toilets that will allow the reader to make necessary repairs with a high degree of confidence. "Get rid of Boat Odors" is a book for boat owners or professionals in the boating industry alike. It's the most comprehensive guide available to help solve the widespread problem of annoying odors on boats.

How to Get Rid of Bad Dreams *Richmond Hill, Ont. : Scholastic-TAB*

A humorous book providing advice on how to deal with monsters in dreams.

The Gentle Art of Swedish Death Cleaning

How to Free Yourself and Your Family from a Lifetime of Clutter *Simon and Schuster*

A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called döstädning, dö meaning "death" and städning meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In The Gentle Art of Swedish Death Cleaning, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace

minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

If I'm So Smart, Why Can't I Get Rid of This Clutter?

Tools to Get It Done! *Becoming Journey LLC*

Let's face it; everyone has clutter to some degree or another! It's how you deal with the clutter that makes the difference between conquering your clutter and allowing your clutter to conquer you. In her book, "If I'm So Smart, Why Can't I Get Rid of This Clutter?," author and life coach Sallie Felton, walks you through the practical and organizational strategies that make it easy to stay organized; but this book goes deeper and uncovers the hidden reasons why it can be so hard to get clutter free and stay that way. Her book includes: Getting Started Tools - The first step to conquering clutter is breaking it up into more manageable chunks - literally and metaphorically. These tools will get you heading in the right direction without feeling overwhelmed and defeated. Practical Tools - There is simply no way to end clutter without getting rid of some stuff. What's more, you'll need to find techniques for dealing with new stuff as it arrives. These are tools you'll come back to again and again. Feeling Tools - Oh if only clutter were just about stuff and storage solutions! Things would be so much easier. The real challenge is learning to let go of emotional clutter. These tools will show you how, one heartbeat at time. Motivation Tools - Everyone needs help reaching their goals and maintaining their new status. One way to get really motivated is to understand the true cost of clutter. Belief Tools - The tools will show you how to unearth the beliefs you have about yourself and teach you how to turn the negative, self-defeating ones into empowering affirmations. How will that help you keep your house clean? You might be surprised to find out! Self-Care Tools - Too often we push ourselves, day in and day out, to do more, give more, achieve more. To what end? If we don't

make time to take care of ourselves, to re-energize and re-vitalize ourselves we make it impossible to do, give or achieve our best. These tools put you in the driver's seat of your own life. Future Tools - These tools put a plan in place for bringing life to your vision and creating the future you want. We'll do this in a way that builds confidence, makes room for life's unpredictable ways and sets you up for nothing less than success.

The Art of Happy Moving

How to Declutter, Pack, and Start Over While Maintaining Your Sanity and Finding Happiness *HarperCollins*

A comprehensive, upbeat guide to help you survive the moving process from start to finish, filled with fresh strategies and checklists for timing and supplies, choosing which items to toss and which to keep, determining the best place to live, saying farewell and looking forward to hello. Moving is a major life change—time consuming, expensive, often overwhelming, and sometimes scary. But it doesn't have to be! Instead of looking at it as a burdensome chore, consider it a new adventure. Ali Wenzke and her husband moved ten times in eleven years, living in seven states across the U.S. She created her popular blog, The Art of Happy Moving, to help others build a happier life before, during, and after a move. Infused with her infectious optimistic spirit, The Art of Happy Moving builds on her blog, offering step-by-step guidance, much-needed comfort, practical information, and welcome advice on every step of the process, including: How to stage your home for prospective buyers How to choose your next neighborhood How to discard your belongings and organize your packing How to say goodbye to your friends How to make the transition easier for your kids How to decorate your new home How to build a new community And so much more. Ali shares invaluable personal anecdotes from her many moves, and packs each chapter with a wealth of information and ingenious tips (Did you know that if you have an extra-large welcome mat at the entrance of your home, it's more likely to sell?). Ali also includes checklists for packing and staging, and agendas for the big moving day. Whether you're a relocating professional, newly married, a family with kids and pets, or a retiree looking to downsize, The Art of Happy Moving will help you discover ways to help make your transition an easier one—and be even happier than you were before.
