Lawrence is a fascinating and controversial figure and his talent as a vivid and imaginative writer shines through on every page of his masterpiece. 'Seven Pillars of Wisdom' written between 1919 and 1926, is an extraordinary tale of action, politics and adventure. The story describes heroism through instances of war by a man who not only shaped events but was molded by them. The genre of the book can be related to many broad subjects like political history, military strategy, pathology or travel story. Lawrence, known as the defender of the empire, had found war in the Arab world and a long-lasting

sideline to the War to End All Wars. This war produced more war during the time, in which, along with many other eminent writers, Lawrence was also involved. Seven Pillars of Wisdom provides a unique portrait of this extraordinary man and an insight into the birth of the Arab nation.
