Apple Eating Guide

There are two types of apples: eating apples and culinary (cooking) apples. Eaters are sweeter, with the most interesting

flavour, as their sugars are balanced by an edge of acidity.

Apple recipes - BBC Food

Discover what else makes apples so good for you. Cheap and readily available in the UK, apples come in an array of colours depending on the variety (of which there are around 2,000) from pale yellows and greens through to deep reds. Their taste and texture vary too, from juicy to firm and sweet to tangy. Due to the large variety of apples available, you can buy British apples pretty much all year round, but traditionally apples are in season in the UK from September to February.
