Transitions To School International Research

This book provides an important compilation and synthesis of

current work in transition to school research. The book focuses strongly on the theoretical underpinnings of research in transition to school. It outlines key theoretical positions and connects those to the implications for policy and practice, thereby challenging readers to re-conceptualize their understandings, expectations and perceptions of transition to school.

Transitions to School - International Research, Policy and ...

Although pupils' pre-transition worries focus on social concerns, other research finds that academic challenges present themselves in the first years of secondary school. A 2019 survey of 500 teachers highlighted a lack of continuity in the curriculum with only 21 per cent of secondary and 12 per cent of primary teachers 'agreeing' that there is a fluid transition between Maths curricula.

Research: How to make the best of school transitions

Abstract This chapter draws from the theoretical foundations and some key results of a longitudinal study of transitions which began with the study cohort's transition from early childhood settings into school in one local authority in Scotland.

Thinking about transitions: one framework or many ...

A successful transition involved functioning well in two areas: 1) being academically and behaviourally involved in school and 2) feeling a sense of belonging to school. These two domains can be measured by primary-school teacher reports on a 4-item questionnaire called the Secondary Transition Adjustment Research Tool; 'START.'

Transitions to School - International Research, Policy and ...

Abstract. A systematic literature review of international empirical

research was conducted to understand the impact of primary–secondary transition on children's experiences, outcomes and protective/risk factors. The review covered the period 2008–2018 and met the gap in previous literature reviews. Using the EPPI-Centre approach, authors included 96 studies in the review.
