...
I enjoyed "The
Horizontal World"; the
writing was poetic,
sensual, and lush and
it compelled me. The
memoir is about
Marquart's troubled
relationship to the
small, rural world of
North Dakota where
she grew up. She does
a fantastic job of
evoking the

strangeness of the agricultural, North Dakota landscape -- and why that was so strange to her.

The Horizontal World reveals the depth of Marquart's (The Hunger Bone: Rock & Roll Stories) connection to her family's multigenerational farm in North Dakota

through a series of stories, each of them based on a powerful personal recollection. The stories most accessible to the reader are the ones in which Marquart's character is brought strongly into the forefront, either as a recalcitrant kid, a wild teenager, or a mulish adult.
