Religion, state, society, and identity in transition ...

Religion can be a
 central part of one's
 identity. The word
 religion comes from a
 Latin word that means
 "to tie or bind
 together.". Modern
 dictionaries define
 religion as "an
 organized system of
 beliefs and rituals
 centering on a
 supernatural being or
 beings.". To belong to
 a religion often means
 more than sharing its
 beliefs and
 participating in its

rituals; it also means
 being part of a
 community and,
 sometimes, a culture.
