The Analysis Of Performance Art

Summary of Performance Art.

Performance is a genre in which art is presented "live," usually by the artist but sometimes with collaborators or performers. It has had a role in avant-garde art throughout the 20 th century, playing an important part in anarchic movements such as Futurism and Dada. Indeed, whenever artists have become discontented with conventional forms of art, such as painting and traditional modes of sculpture, they have often turned to performance as a means to rejuvenate ...
