The Light in the Forest *Vintage*

An adventurous story of a frontier boy raised by Indians, *The Light in the Forest* is a beloved American classic. When John Cameron Butler was a child, he was captured in a raid on the Pennsylvania frontier and adopted by the great warrior Cuyloga. Renamed True Son, he

came to think of himself as fully Indian. But eleven years later his tribe, the Lenni Lenape, has signed a treaty with the white men and agreed to return their captives, including fifteen-year-old True Son. Now he must go back to the family he has forgotten, whose language is no longer his, and whose ways of dress and behavior are as strange to him as the ways of the forest are to them.

Daughter of the Forest

Book One of the Sevenwaters Trilogy *Macmillan*

Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord

Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old before his time by his gift of the Sight; and the young, compassionate Padriac. But it is Sorch, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorch can lift. To reclaim the lives of her brothers, Sorch leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it

seems that there will be no way for her to break the spell that condemns all that she loves. But magic knows no boundaries, and Sorch will have to choose between the life she has always known and a love that comes only once. Juliet Marillier is a rare talent, a writer who can imbue her characters and her story with such warmth, such heart, that no reader can come away from her work untouched. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Light Shining in the Forest *Hachette UK*

From the author of SALMON FISHING IN THE YEMEN, a dark tale about a failing politician and the search for two missing

children. Includes Reading Group Notes. Norman Stokoe has just been appointed Children's Czar by the new government. He sells his flat and moves up north to take up the position. However before his first salary cheque has even hit his bank account, new priorities are set for the government department for which he works. The Children's Czar network is put on hold but it is too late to reverse the decision to employ Norman. So he is given a P.A. and a spacious office in a new business park on the banks of the Tyne. He settles down in his new leather chair behind his new desk, to wait for the green light to begin his mission. The green light never comes. What does happen is that two children go missing. As Children's Czar, surely this case should fall within his remit, but Norman

has built a career on doing nothing, on stamping pieces of paper with 'send to the relevant department'. Now, faced with a campaigning journalist and a distraught mother, he is forced to become involved. The search will take him to dark places and will make him ask questions about the system he is supposed to uphold.

The Light in the Forest

The Apprentices *Penguin*

Two years have passed since Janie Scott last saw Benjamin Burrows, the mysterious apothecary's defiant son who stole her heart. On the other side of the world, Benjamin and his father are treating the sick and wounded in the war-torn jungles of Vietnam. But

Benjamin has also been experimenting with a magical new formula that allows him to communicate with Janie across the globe. When Benjamin discovers that she's in trouble, he calls on their friend Pip for help. The three friends are thrown into a desperate chase around the world to find one another, while unraveling the mystery of what threatens them all. Acclaimed author Maile Meloy seamlessly weaves together magic and adventure in this breathtaking sequel with stunning illustrations by Ian Schoenherr.

An Unforgettable Christmas Tale

Post Hill Press

Where the Forest Meets the Stars

Lake Union Publishing

In this gorgeously stunning debut, a mysterious child teaches two strangers how to love and trust again. After the loss of her mother and her own battle with breast cancer, Joanna Teale returns to her graduate research on nesting birds in rural Illinois, determined to prove that her recent hardships have not broken her. She throws herself into her work from dusk to dawn, until her solitary routine is disrupted by the appearance of a mysterious child who shows up at her cabin barefoot and covered in bruises. The girl calls herself Ursa, and she claims to have been sent from the stars to witness five miracles. With concerns about the child's home situation, Jo reluctantly agrees to let her

stay--just until she learns more about Ursa's past. Jo enlists the help of her reclusive neighbor, Gabriel Nash, to solve the mystery of the charming child. But the more time they spend together, the more questions they have. How does a young girl not only read but understand Shakespeare? Why do good things keep happening in her presence? And why aren't Jo and Gabe checking the missing children's website anymore? Though the three have formed an incredible bond, they know difficult choices must be made. As the summer nears an end and Ursa gets closer to her fifth miracle, her dangerous past closes in. When it finally catches up to them, all of their painful secrets will be forced into the open, and their fates will be left to the stars.

The Forest Unseen

A Year's Watch in Nature *Penguin*

Finalist for the Pulitzer Prize and the PEN/E.O. Wilson Literary Science Writing Award "Injects much-needed vibrancy into the stuffy world of nature writing." —Outside, "The Outdoor Books That Shaped the Last Decade" The biologist and author of *Sounds Wild* and *Broken*

combines elegant writing with scientific expertise to reveal the secret world hidden in a single square meter of old-growth forest. In this wholly original book, biologist David Haskell uses a one-square-meter patch of old-growth Tennessee forest as a window onto the entire natural world. Visiting it almost daily for one year to trace nature's path through the seasons, he brings the forest and its inhabitants to vivid life. Each of this book's short chapters begins with a simple observation: a salamander scuttling across the leaf litter; the first blossom of spring wildflowers. From these, Haskell spins a brilliant web of biology and ecology, explaining the science that binds together the tiniest microbes and the largest mammals and describing the ecosystems that have

cycled for thousands- sometimes millions-of years. Each visit to the forest presents a nature story in miniature as Haskell elegantly teases out the intricate relationships that order the creatures and plants that call it home. Written with remarkable grace and empathy, *The Forest Unseen* is a grand tour of nature in all its profundity. Haskell is a perfect guide into the world that exists beneath our feet and beyond our backyards.

The Light of Days

The Untold Story of Women

Resistance Fighters in Hitler's Ghettos *HarperCollins*

THE INSTANT NEW YORK TIMES BESTSELLER! Also on the USA Today, Washington Post, Boston Globe, Globe and Mail, Publishers Weekly, and Indie bestseller lists. One of the most important stories of World War II, already optioned by Steven Spielberg for a major motion picture: a spectacular, searing history that brings to light the extraordinary accomplishments of brave Jewish women who became resistance fighters—a group of unknown heroes whose exploits have never been chronicled in full, until now. Witnesses to the brutal murder of their families and neighbors and the violent destruction of their communities, a cadre of Jewish women in Poland—some still in their

teens—helped transform the Jewish youth groups into resistance cells to fight the Nazis. With courage, guile, and nerves of steel, these “ghetto girls” paid off Gestapo guards, hid revolvers in loaves of bread and jars of marmalade, and helped build systems of underground bunkers. They flirted with German soldiers, bribed them with wine, whiskey, and home cooking, used their Aryan looks to seduce them, and shot and killed them. They bombed German train lines and blew up a town’s water supply. They also nursed the sick, taught children, and hid families. Yet the exploits of these courageous resistance fighters have remained virtually unknown. As propulsive and thrilling as *Hidden Figures*, *In the Garden of Beasts*, and *Band of Brothers*, *The Light of Days*

at last tells the true story of these incredible women whose courageous yet little-known feats have been eclipsed by time. *Judy Batalion*—the granddaughter of Polish Holocaust survivors—takes us back to 1939 and introduces us to Renia Kukielka, a weapons smuggler and messenger who risked death traveling across occupied Poland on foot and by train. Joining Renia are other women who served as couriers, armed fighters, intelligence agents, and saboteurs, all who put their lives in mortal danger to carry out their missions. *Batalion* follows these women through the savage destruction of the ghettos, arrest and internment in Gestapo prisons and concentration camps, and for a lucky few—like Renia, who orchestrated her own audacious escape from a brutal Nazi

jail—into the late 20th century and beyond. Powerful and inspiring, featuring twenty black-and-white photographs, *The Light of Days* is an unforgettable true tale of war, the fight for freedom, exceptional bravery, female friendship, and survival in the face of staggering odds. NPR's Best Books of 2021 National Jewish Book Award, 2021 Canadian Jewish Literary Award, 2021

Secrets of the Rainforest

Discover the amazing animals that live in the lush rainforest, with this gorgeously illustrated book of nature's hidden habitats. By simply holding the book up to the light, or shining a light behind each page, young children will be able to discover the animals and plants that live in and around a kapok tree,

from the colourful parrots in the canopy, to the sleek jaguar on the forest floor. The innovative see-through feature fulfils a similar function to lift-the-flaps books, but has the added interactive dimension of the child being able to see both the surface and the hidden picture at the same time.

The Forest of Vanishing Stars

A Novel *Simon and Schuster*

Parade "Best Books of Summer" pick * Real Simple pick * She Reads "Best WWII Fiction of Summer 2021" pick The New York Times bestselling author of the "heart-stopping tale of survival and heroism" (People) *The Book of Lost Names* returns with an evocative coming-of-age World War II story about a

young woman who uses her knowledge of the wilderness to help Jewish refugees escape the Nazis—until a secret from her past threatens everything. After being stolen from her wealthy German parents and raised in the unforgiving wilderness of eastern Europe, a young woman finds herself alone in 1941 after her kidnapper dies. Her solitary existence is interrupted, however, when she happens upon a group of Jews fleeing the Nazi terror. Stunned to learn what’s happening in the outside world, she vows to teach the group all she can about surviving in the forest—and in turn, they teach her some surprising lessons about opening her heart after years of isolation. But when she is betrayed and escapes into a German-occupied village, her past and present

come together in a shocking collision that could change everything. Inspired by incredible true stories of survival against staggering odds, and suffused with the journey-from-the-wilderness elements that made *Where the Crawdads Sing* a worldwide phenomenon, *The Forest of Vanishing Stars* is a heart-wrenching and suspenseful novel from the #1 internationally bestselling author whose writing has been hailed as “sweeping and magnificent” (Fiona Davis, *New York Times* bestselling author), “immersive and evocative” (*Publishers Weekly*), and “gripping” (*Tampa Bay Times*).

Into the Forest *Dial Press*

NOW A MAJOR MOTION PICTURE • Set in the near-future, *Into the Forest* is a

powerfully imagined novel that focuses on the relationship between two teenage sisters living alone in their Northern California forest home. Over 30 miles from the nearest town, and several miles away from their nearest neighbor, Nell and Eva struggle to survive as society begins to decay and collapse around them. No single event precedes society's fall. There is talk of a war overseas and upheaval in Congress, but it still comes as a shock when the electricity runs out and gas is nowhere to be found. The sisters consume the resources left in the house, waiting for the power to return. Their arrival into adulthood, however, forces them to reexamine their place in the world and their relationship to the land and each other. Reminiscent of Margaret Atwood's *A Handmaid's Tale*,

Into the Forest is a mesmerizing and thought-provoking novel of hope and despair set in a frighteningly plausible near-future America. Praise for *Into the Forest* “[A] beautifully written and often profoundly moving novel.”—San Francisco Chronicle “A work of extraordinary power, insight and lyricism, *Into the Forest* is both an urgent warning and a passionate celebration of life and love.”—Riane Eisler, author of *The Chalice and the Blade* “From the first page, the sense of crisis and the lucid, honest voice of the . . . narrator pull the reader in. . . . A truly admirable addition to a genre defined by the very high standards of George Orwell's 1984.”—Publishers Weekly (starred review) “Beautifully written.”—Kirkus Reviews “This beautifully written story

captures the essential nature of the sister bond: the fierce struggle to be true to one's own self, only to learn that true strength comes from what they are able to share together."—Carol Saline, co-author of *Sisters* "Jean Hegland's sense of character is firm, warm, and wise. . . . [A] fine first novel."—John Keeble, author of *Yellowfish*

Deep in the Forest

Elton Peabody is a thirty-five-year-old high school history teacher in a small Southern town who has a terrifying experience one night with a mysterious bright light deep in the forest behind his house. Did he encounter a UFO? A secret government project? A high-tech prank? Angels? A mental breakdown? Or something else? This is his journey to

understand what happened and move on with his life in the face of increased public scrutiny. His story encompasses family dynamics (especially between Elton and his younger brother, the local sheriff), the drama of a sheriff's election, high school life as seen from a young teacher's perspective, friendship, lots of humor, a search for religious meaning, summoning the courage to face one's fears, and taking risks for romance.

Lord of Light *Harper Collins*

Earth is long since dead. On a colony planet, a band of men has gained control of technology, made themselves immortal, and now rules their world as the gods of the Hindu pantheon. Only one dares oppose them: he who was once Siddhartha and is now

she remembers something that lies buried and forgotten in the farthest depths of her own heart.

The Light Through the Leaves

A Novel *Lake Union Publishing*

Go on a powerful journey of forgiveness and healing with The Light Through the Leaves, a transcendent novel of love, loss, and self-discovery by the Wall Street Journal bestselling author of Where the Forest Meets the Stars. One unbearable mistake at the edge of the forest. In a moment of crisis, Ellis Abbey leaves her daughter, Viola, unattended--for just a few minutes. But when she returns, Viola is gone. A breaking point in an already fractured marriage, Viola's abduction causes Ellis to disappear as

well--into grief, guilt, and addiction. Convinced she can only do more harm to her family, Ellis leaves her husband and young sons, burying her desperate ache for her children deeper with every step into the mountain wildernesses she treks alone. In a remote area of Washington, a young girl named Raven keeps secrets inside, too. She must never speak to outsiders about how her mother makes miracles spring from the earth, or about her father, whose mysterious presence sometimes frightens her. Raven spends her days learning how to use her rare gifts--and more important, how to hide them. With each lesson comes a warning of what dangers lie in the world beyond her isolated haven. But despite her mother's cautions, Raven finds herself longing for something more. As Ellis and

Raven each confront their powerful longings, their journeys will converge in unexpected and hopeful ways, pulled together by the forces of nature, love, and family.

The Darkest Part of the Forest *Little,*

Brown Books for Young Readers

A girl makes a secret sacrifice to the faerie king in this lush New York Times bestselling fantasy by author Holly Black. In the woods is a glass coffin. It rests on the ground, and in it sleeps a boy with horns on his head and ears as pointed as knives.... Hazel and her brother, Ben, live in Fairfold, where humans and the Folk exist side by side. Since they were children, Hazel and Ben have been telling each other stories about the boy in the glass coffin, that he is a prince and they are valiant knights, pretending their prince would be different from the other faeries, the ones who made cruel bargains, lurked in the shadows of trees, and doomed tourists. But as Hazel grows up, she puts aside those stories. Hazel knows the horned boy will never wake.

Until one day, he does.... As the world turns upside down, Hazel has to become the knight she once pretended to be. The Darkest Part of the Forest is bestselling author Holly Black's triumphant return to the opulent, enchanting faerie tales that launched her YA career.

The Forest

A Novel *Ballantine Books*

NATIONAL BESTSELLER • "Rutherford brings England's New Forest to life" (The Seattle Times) in this companion to the critically acclaimed *Sarum* From the time of the Norman Conquest to the present day, the New Forest, along England's southern coast, has remained an almost mythical place. It is here that Saxon and

Norman kings rode forth with their hunting parties, and where William the Conqueror's son Rufus was mysteriously killed. The mighty oaks of the forest were used to build the ships for Admiral Nelson's navy, and the fishermen who lived in Christchurch and Lymington helped Sir Francis Drake fight off the Spanish Armada. The New Forest is the perfect backdrop for the families who people this epic story. The feuds, wars, loyalties, and passions of many hundreds of years reach their climax in a crime that shatters the decorous society of Bath in the days of Jane Austen, whose family lived on the edge of the Forest. Edward Rutherford is a master storyteller whose sense of place and character—both fictional and historical—is at its most vibrant in The

Forest. "As entertaining as Sarum and Rutherford's other sweeping novel of British history, London."—The Boston Globe

Popol Vuh

The Mayan Book of the Dawn of Life

eBookIt.com

Popol Vuh, the Quich'Ã© Mayan book of creation is not only the most important

text in the native language of the Americas, it is also an extraordinary document of the human imagination. It begins with the deeds of Mayan Gods in the darkness of a primeval sea and ends with the radiant splendor of the Mayan Lords who founded the Quich'Ã© Kingdom in the Guatemalan highlands. Originally written in Mayan hieroglyphs, it was translated into the Roman alphabet in the 16th century. The new edition of Dennis Tedlock's unabridged, widely praised translation includes new notes and commentary, newly translated passages, newly deciphered hieroglyphs, and over 40 new illustrations.

Tales of the Forest, the Mountain and the Garden *Austin Macauley*

Tales is a storybook of allegories where

animals and humans confront and overcome hard decisions. The UNICORN is feared by other animals until a forest fire gives him the opportunity to show that he is not only one of them, but also their saviour. In NINE WILD PIGLETS, the runt of the litter, through cleverness and cunning, overcomes all odds and becomes the leader of all his siblings. In ONE HUNDRED SQUIRRELS, three armies, Red, Gray and Black, are set to fight to the death for a cottage-sized section of the Forest until four yellow squirrels convince them of the futility of war. In the last story, ONE MILLION BEETLES, all the animals of the Forest and their Hunters meet on the night of The Moon of Blood and, through the intervention of the light of these million fireflies, form an understanding for

everlasting peace between them.

Thirty-Two Words for Field

Lost Words of the Irish Landscape *Gill & Macmillan Ltd*

The Irish language has thirty-two words for field. Among them are: Geamhar – a field of corn-grass Tuar – a field for cattle at night Réidhleán – a field for games or dancing Cathairín – a field with a fairy-dwelling in it The richness of a language closely tied to the natural landscape offered our ancestors a more magical way of seeing the world. Before we cast old words aside, let us consider the sublime beauty and profound oddness of the ancient tongue that has been spoken on this island for almost 3,000 years. In Thirty-Two Words for Field, Manchán

Magan meditates on these words – and the nuances of a way of life that is disappearing with them.

THE TREES *Knopf*

“They moved along in the bobbing, springy gait of a family that followed the woods as some families follow the sea.” In that first sentence Conrad Richter sets the mood of this magnificent epic of the American wilderness. Toward the close of the eighteenth century the land west of the Alleghenies and north of the Ohio river was an unbroken sea of trees. Beneath them the forest trails were dark, silent, and lonely, brightened only by a few lost beams of sunlight. Here the Lucketts, a wild, woodsfaring family, lived their roaming life, pushing ever westward as the frontier advanced and

as new settlements threatened their isolation. Richter has written, not a historical novel, of which there are so many, but a novel of authentic early American life, of which there are so few. It is the primitive story of Worth Luckett, the hunter, and of Jary, his woman; of Genny, Wyitt, Achsa, and Sulie, their woods-wild children; of the bound boy and the Solitary and Jake Tench; but principally of the oldest girl, Sayward Luckett, whose people as far back as she knew had always been hunters and gunsmiths to hunters, but who, through the quiet, growing, and yet tragic oppression of the trees, turns her back at last on her life as a hunter’s child and becomes a tiller of the soil. This novel of great lyrical beauty and high excitement tells the story of the transition of

American pioneers from the ways of the wilderness to the ways of civilization. Here is the true American epic. Here is the raw adventure, swift and cruel in its episodes; but here too is the poetry of loneliness. Here is a portrait of frontier life as it really must have seemed to the pioneers. Here in short is a masterpiece by the man who gave us *The Sea of Grass*.

Wilding

Returning Nature to Our Farm *New York Review of Books*

An inspiring story about what happens when 3,500 acres of land, farmed for centuries, is left to return to the wild, and about the wilder, richer future a natural landscape can bring. For years

Charlie Burrell and his wife, Isabella Tree, farmed Knepp Castle Estate and struggled to turn a profit. By 2000, with the farm facing bankruptcy, they decided to try something radical. They would restore Knepp's 3,500 acres to the wild. Using herds of free-roaming animals to mimic the actions of the megafauna of the past, they hoped to bring nature back to their depleted land. But what would the neighbors say, in the manicured countryside of modern England where a blade of grass out of place is considered an affront? In the face of considerable opposition the couple persisted with their experiment and soon witnessed an extraordinary change. New life flooded into Knepp, now a breeding hotspot for rare and threatened species like turtle doves,

peregrine falcons, and purple emperor butterflies. The fabled English nightingale sings again. At a time of looming environmental disaster, Wilding is an inspiring story of a farm, a couple,

and a community transformed. Isabella Tree's wonderful book brings together science, natural history, a fair bit of drama, and—ultimately—hope.
