You can purchase construction plans from our online store and build your own home or hire Earthship Biotecture to construct it for you. If you have land and funds and wish to discuss the possibility of having an Earthship built, then the first step is to fill this form, and so you will be able to book a consultation with Michael Reynolds.

We build Earthships and retrofit houses — Earthship ...

As someone with virtually no building background, I found this book easy to follow and Reynold's principles accessible. It provides a step-by-step approach to building one of his earthships, which, despite it's dirty hippy connotation, is a remarkable idea that has been applied with success as regular and luxury housing in the US, as well as across the world.

Earthship: How to Build Your Own by Michael Reynolds

Once you put in the effort and care to build an Earthship house, the house will

take care of you. These were some words of encouragement offered to me by London Earthship owners Connie and Craig after a visit and home tour with them near London, Ontario in November 2019.. For my tour, I was equipped with a big list of questions to ask them to help me prepare for building my own Earthship.
