For example, Audi's Tiptronic transmission keeps shifting from

first to the second gear automatic during the manual operation. It's also evident from the safety measures performed by the vehicle's central computer system. Most of the models featuring this transmission have inbuilt protections for high and low RPMs. If the RPM crosses the maximum limit, the ECU swoops in to correct the ...

The 01V automatic
transmission is
generically known as
the 5HP19. The
transmission tag on the

01V can be found: • At the bottom front of the transmission. It can be seen using a flashlight. It is under the left side transmission aluminum mount • On the side of the transmission (not accessible when the transmission is in the vehicle).
