### Globalization And Culture The Chinese

In the face of the current strong impact of economic globalization, consumer culture has become one of the hot topics confronting scholars of both literary and cultural studies. Through some analyses of various phenomena in contemporary Chinese culture, the author tries to offer some practical strategy: China does not prevent economic globalization from coming into the country, for it might well help stimulate the rapid development of Chinese economy; but culturally, it does try to prevent ...

### Globalization and Culture: the Chinese Cultural and ...

People are becoming more aware of other opportunities and ways of doing things and some have abandoned the original Chinese cultural ways of life (Guthrie, 2012). China, being a collectivist culture, differs significantly with the western individualistic culture. However, through globalization, more Chinese people can now embrace western individualistic cultures and even language. Many Chinese can now speak foreign languages such as English and French as this enables them to conduct business

...
