The Saga of Seven Suns is a series of

seven space opera novels by American writer Kevin J. Anderson, published between 2002 and 2008. The books are set in a not-too-distant future where humans have colonized a number of other planets across the galaxy, thanks in part to technological assistance from an ancient alien race, the Ildirans.

The Saga of Seven Suns - Wikipedia

After centuries of relative peace, in 1650, The Order War depicts the progress of two order mages from Recluce, Justen and Gunnar, as they attempt to defend the last free country in Candar from the white wizards, who have begun to use order-based soldiers to add to their own defense while simultaneously increasing their own chaos powers by increasing the amount

of order in the world, as according to the plans of Cerryl from The White Order and Colors of Chaos.
