The Horus Heresy books are some of my absolute favourite Warhammer literature. The first book came out in 2006, and the Black Library have been pumping them out ever since. Due to the number of books now available, it's completely understandable that some people may require a book reading list to ensure that they read them in the correct order.

A friend and I started reading the Horus heresy books and got really into the lore of Warhammer, and decided we talked about it enough, we may as well record ourselves doing it. Our podcast is a book club that follows the Horus Heresy where we preview and review the books. We also drink and like to have fun.
