Counseling Older People

Opportunities and Challenges *John Wiley & Sons*

This book provides insight into the primary issues faced by older adults; the services and benefits available to them; and the knowledge base, techniques, and skills necessary to work effectively in a therapeutic relationship. Dr. Kampfe offers empirically and anecdotally based strategies and interventions for dealing with clients' personal concerns and describes ways counselors can advocate for older people on a systemic level. Individual and group exercises are incorporated throughout the book to enhance its practicality. Topics covered

include an overview of population demographics and characteristics; counseling considerations and empowering older clients; successful aging; mental health and wellness; common medical conditions; multiple losses and transitions; financial concerns; elder abuse; veterans' issues; sensory loss; changing family dynamics; managing Social Security and Medicare; working after retirement age; retirement transitions, losses, and gains; residential options; and death and dying. *Requests for digital versions from the ACA can be found on wiley.com. *To request print copies, please visit the ACA website [here](http://www.aging.org). *Reproduction requests for material from books published by ACA should be directed to permissions@counseling.org.

Study Guide for the National Counselor Examination and CPCE Counselor Preparation Comprehensive Examination

This NCE and CPCE Study Guide is over 400 pages long and includes content material in the eight areas examined by the National Counselor Exam and the CPCE (Counselor Preparation Comprehensive Examination). The content in the Study Guide is also similar to many state school counselor certification exams and state professional counselor licensure exams

that use some exam other than the National Counselor Exam. All eight CACREP content areas in the Eighth Edition have been revised and new information addresses DSM-5 and the revision of the ACA Code of Ethics. New material also includes neurobiology, dialectical behavior therapy, mindfulness, distance and technology counseling, and wilderness therapy. Besides information about the make-up and structure of the National Counselor Exam and CPCE, the Study Guide includes a 160-item CPCE Practice Exam, a 200-item NCE Practice Exam, the ACA Code of Ethics, study tips, reference lists, test taking strategies, and additional counselor exam prep resources and study materials. --
