Study Guide George Washington S

George Washington initiated construction of a south addition to Mount Vernon in the spring of 1774. Intended as a private wing, this extension to the mansion included a spacious bedchamber for George and Martha Washington on the second floor and a personal study below. Washington's study served as the center of his personal and professional operations during his years at Mount Vernon before and after the presidency.

Quia - George Washington's Socks

Washington was an excellent military and political leader, though on balance he was probably a better political leader. His early military career is spotty at best; his loss to the French at Fort Necessity was tragic and unnecessary. Under Braddock he performed bravely but with little regard to strategy.

George Washington Introduction | Shmoop

By the time little George was born, the Washingtons had reached the lower levels of the Virginia elite. His father died when he was 11, so his mother struggled to raise him and his siblings, with the help of his older half siblings . George's older half brother Lawrence was particularly influential.
