Given To The Goddess South

"Lucinda Ramberg has written a book that charts new conceptual terrain in the anthropology of South Asia. Given to the Goddess indicts both liberal reformism and secular progressivism for their investment in an all too-easy politics of gender that occludes the power (and experience) of stigmatized sexuality. Instead, Ramberg shows how practices coded as anachronistic, or coerced, constitute the conditions of possibility for capacious, non-individuated accounts of sexed agency.

My first book, Given to the Goddess: South Indian Devadasis and the Sexuality of Religion (Duke University Press, 2014), is an ethnography of a contemporary practice in which girls are married to a goddess. I take this ongoing practice and its reform as an occasion to consider what can count as religion and who and what marriage is for.
