Properly painted panel lines add realism and detail to the exterior of the aircraft model. The best results can be achieved by pre-shading all the panel lines of the airplane model kit before overlaying it with the final paint scheme.

Painting the Panel Lines of your**Aircraft Model - Model Aces**

With their larger size, these scale aircraft models can be easier to work on and handle, but can still allow for many added detail parts to bring them to life. Typically large scale means 1/32 or 1/24. Big Scale Planes used to be few and far between, with just a few offerings, from companies like Revell or Airfix.
