Prehistoric Orkney Historic Scotland

Prehistoric Orkney refers to a period in the human occupation of the Orkney archipelago of Scotland that was the later part of these islands' prehistory. The period of prehistory prior to occupation by the genus Homo is part of the geology of Scotland. Although some written records refer to Orkney during the Roman invasions of Scotland, prehistory in northern Scotland does not end until the commencement of the Early Historic Period around AD 600. There are numerous important prehistoric remains
