Gottman The Four Horsement Worksheets - Kiddy Math

The four attitudes that most predict the dissolution of a relationship, especially in combination, are criticism, defensiveness, contempt and stonewalling. Dr. John Gottman, a psychologist at the University of Washington, studied more than 2,000 married couples over two decades. He discovered patterns about how partners relate to each other which can be used to predict - with 94% accuracy - which marriages will succeed and which will fail.
