Teaching mathematics in primary schools - GOV.UK

"My goal is to get information about what students are thinking and use that to guide my instruction, as opposed to just telling them information and asking them to parrot things back," says Delise Andrews, who taught math (K-8) and is now a 3-5 grade math coordinator in the Lincoln Public Schools in Lincoln, Nebraska.

15 Strategies in Teaching Mathematics - WeAreTeachers

In contemporary education, mathematics education is the practice of teaching and learning mathematics, along with the associated scholarly research. Researchers in mathematics education are primarily concerned with the tools, methods and approaches that facilitate practice or the study of practice; however, mathematics education research, known on the continent of Europe as the didactics or pedagogy of mathematics, has developed into an extensive field of study, with its concepts, theories, meth

Mathematics education - Wikipedia

Teaching mathematics in primary schools (Year 1) – an EdShed guide. For example, the guidance document provides greater advice on using different equipment to identify and make numbers up to 100 in Year 1. An example from the DfE and NCETM's guidance for place value within 100 in Year 1. Like the DfE's guidance materials, our resources use straw bundles and single straws; however, MathShed resources use other equipment to identify and make numbers up to 100 too.
