In the Star Trek: Deep Space Nine relaunch series of novels, Leeta became pregnant and (after a hard pregnancy due in part to the fetus' half-Bajoran, half-Ferengi biology) gave birth to a baby girl named Bena (β), named for the Emissary and the Bajoran word for "joy." Unfortunately the word "bena" also means "underflooring" in the Ferengi language (although Rom defended it by saying that it ...

Shelves: reference-books, psychology, audio-book, metaphysical, non-fiction, spiritual, will-read-again, philosophy The audio book is not narrated by Deepak, and that worked well in this case for me. Although I love Deepak's voice which is soothing and gentle, the narrator here was very skilled and gave subtle inflections at the right moments to make the listen enjoyable.

Life After Death: The Burden of Proof by Deepak Chopra

This book was just what I needed to take a break from sweet romances and women's fiction. It is a great FBI mystery/detective story involving a number of teams and a number of interesting cases from missing and kidnapped children, street children, murder and burglary with deception within the police force and without.
