### How to Make Love Like a Porn Star

#### **A Cautionary Tale** *Harper Collins*

How to Make Love Like a Porn Star, the mega-bestselling memoir, triumphant survival story, and cautionary tale that spent over six weeks on the New York Times bestseller list and rocketed adult film icon Jenna Jameson into the mainstream spotlight, is now in paperback and ebook for the very first time. Her unforgettable memoir, written

with master storyteller Neil Strauss, is many things at once: a shocking sexual history; an insider's guide to the secret workings of the billion-dollar adult-film industry; and a gripping thriller that probes deep into Jameson's dark past. With never-before-seen photographs from Jenna's private collection, exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.

#### **A Novel** *Macmillan*

What you're reading right now is known as the "cover copy," or "flap copy." This is where the 84,951 words of my latest book are cooked down to 350 words or less to capture your imagination/download. I pondered how to do that. Should I cut to the chase and reveal pivotal plot points like the one at the end of the book where the little girl on crutches points an accusing finger and shouts, "the killer is Mr. Porter"? No. I have too much respect for you as an intelligent consumer to attempt such an obvious ruse. But let's not play games here. You clicked your way to this page, so you either: A. Know who I am. B. Like the cool smoking jacket I'm wearing on the cover. Or: C. Thought this was a

secret link to Ashley Madison. Is it a sequel to my autobiography *If Chins Could Kill: Confessions of a B Movie Actor*? Sadly, no, which made it much harder to write. Is it an "autobiographical novel"? Yes. I am the lead character in the story (coincidentally an actor), and I am a real person, and everything in the book actually happened - except for the stuff that didn't. The action revolves around my preparations for a pivotal role in the A-list relationship film, *Let's Make Love!* My Homeric attempt to break through the glass ceiling of B-grade genre fair is hampered by a vengeful studio executive and a production that becomes infected by something called the "B-movie virus" - symptoms of which include excessive use of cheesy special effects, slapstick, and projectile vomiting. From a violent fistfight with a Buddhist to a life-altering stint in federal prison, this novel has it all. And if the 84,951 words are too time-consuming, there are lots and lots of cool graphics - all of which have been upgraded to vibrant color since the first publication. I hope you enjoy the book - and if you learn anything at all about making love, please share it with me! Regards, Bruce "Go Ahead and Call Me Ash" Campbell

"Brim with charm and compassion." -- Vashti Harrison, New York Times best-selling author of *Little Leaders* "Love ain't like that." "How is it then?" Peaches

asked, turning on her stomach to face me. "It's like sky. If you keep driving and driving, gas will run out, right?" "That's why we gotta go to the gas station." "Yep. But have you ever seen the sky run out? No matter how far we go?" "No, when we look up, there it is." "Well that's the kind of love Daddy and Mama got for us, Peaches -- love like sky." "It never ends?" "Never." G-baby and her younger sister, Peaches, are still getting used to their "blended-up" family. They live with Mama and Frank out in the suburbs, and they haven't seen their real daddy much since he married Millicent. G-baby misses her best friend back in Atlanta, and is crushed that her glamorous new stepsister, Tangie, wants nothing to do with her. G-baby is so preoccupied with earning Tangie's approval that she isn't there for her own little sister when she needs her most. Peaches gets sick-really sick. Suddenly, Mama and Daddy are arguing like they did before the divorce, and even the doctors at the hospital don't know how to help Peaches get better. It's up to G-baby to put things right. She knows Peaches can be strong again if she can only see that their family's love for her really is like sky.

THE CORNER provides an historical record of the life style of young men in what could be considered a typical neighborhood prior to and during the WW II period in America. Toledo, Ohio is the setting of this documentary. The specific scene is the corner of Junction Avenue and Lucas Street, located in a solid Polish/American neighborhood. The story could be written of many other neighborhoods and ethnic and racial groups throughout the United States. It just so happens that the writer was a

member of this particular group and neighborhood. Dramatic changes have taken place since the time period addressed in THE CORNER. WW II impacted the way of life of all Americans. Ethnic and racial neighborhoods and groups are still located throughout the country but on a far less scale. Nicknames, a sign of popularity in most cases or of a special trait of the individual, are not as common in today's society. New and interesting developments have impacted the old meetings places and methods of communication amongst the young men throughout America. Television; new and interesting hobbies; and diverse civic, religious, and other group organizations that provide meeting places and many other features that make for a more effective life style of American youth have replaced the "old" but unforgettable meetings on the local "corners". Unfortunately a part of American culture and history are lost for the ages. THE CORNER captures a capsule of a part of American life during an era that has literally disappeared from the the American scene.

### **Screwing Up Love**

### **Or How to Make Love Grow and Last** *James Downton Jr*

Screwing Up Love is a "wild romp though the brambles of love." It's written from the point of view of Dr. Bob, The Love Coach, a literary creation of Jim Downton. Dr. Bob is a former stand-up comedian who has a sense of humor and also keen insights into the different ways

that people make a mess of love. Each chapter covers an important issue, for example, how a couple can mess up love by constantly digging into each other with harsh criticisms. The subtitle of the book is "How to Make Love Growth and Last." How to do that? Dr. Bob adds love coaching tips at the end of each chapter. By following the tips, people will quit screwing up love and, instead, will make it grow. Dr. Bob is direct, honest, and with a lively sense of humor, so the book is not only full of insights about love; it's

fun to read.
