The author says that The Harbinger is a loosely fictional novel, rooted in biblical analysis regarding a real-life, non-fiction connection: a prophecy about ancient Israel that was eventually fulfilled in the eighth century BC when Israel was destroyed, and certain events and facts related to the 9/11 terror attacks against the U.S. in 2001. Cahn calls these events and facts "harbingers," and argues that they show a connection between ancient Israel's destruction and a possible coming ...
