Original Texts And English Translations

As a language evolves, texts in an earlier version of the language—original texts, or old translations—may become difficult for modern readers to understand. Such a text may therefore be translated into more modern language, producing a "modern translation" (e.g., a "modern English translation" or "modernized translation").

Translation - Wikipedia

The Prometheus Trust is now publishing a new series of essential late Platonic texts and translations - the fruit of exceptional scholarship from the last 50 years. Each of these volumes is a revised version of its original, and presents parallel Greek texts and English translations, together with extensive notes and indices.
