Blood on Snow

A novel *Vintage Crime/Black Lizard*

From the internationally acclaimed author of the Harry Hole novels—a fast, tight, darkly lyrical stand-alone novel that has at its center the perfectly sympathetic antihero: an Oslo contract killer who draws us into an unexpected meditation on death and love. This is the story of Olav: an extremely talented “fixer” for one of Oslo’s most powerful crime bosses. But Olav is also an unusually complicated fixer. He has a capacity for love that is as far-reaching as is his gift for murder. He is our straightforward, calm-in-the-face-of-crisis narrator with a storyteller’s hypnotic knack for fantasy. He has an “innate talent for subordination” but running through his veins is a “virus” born of the power over life and death. And while his latest job puts him at the pinnacle of his trade, it may be mutating into his greatest mistake. . . .

The Snowman

A Harry Hole Novel (7) *Vintage Crime/Black Lizard*

Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbø’s New York Times bestselling series. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he’s received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules . . . and he’ll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbø presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity.

Midnight Sun

A novel *Vintage Crime/Black Lizard*

The internationally acclaimed author of Blood on Snow and the Harry Hole novels now gives us the tightly wound tale of a man running from retribution, a renegade hitman who goes to ground far above the Arctic circle, where the never-setting sun might slowly drive a man insane. He calls himself Ulf—as good a name as any, he thinks—and the only thing he’s looking for is a place where he won’t be found by Oslo’s most notorious drug lord: the Fisherman. He was once the Fisherman’s fixer, but after betraying him, Ulf is now the one his former boss needs fixed—which may not be a problem for a man whose criminal reach is boundless. When Ulf gets off the bus in Kåsund, on Norway’s far northeastern border, he sees a “flat, monotonous, bleak landscape . . . the perfect hiding place. Hopefully.” The locals—native Sami and followers of a particularly harsh Swedish version of Christianity—seem to accept Ulf’s explanation that he’s come to hunt, even if he has no gun and the season has yet to start. And a bereaved, taciturn woman and her curious, talkative young son supply him with food, the use of a cabin deep in the woods, a weapon—and companionship that stirs something in him he thought was long dead. But the agonizing wait for the inevitable moment when the Fisherman’s henchmen will show—the midnight sun hanging in the sky like an unblinking, all-revealing eye—forces him to question if redemption is at all possible or if, as he’s always believed, “hope is a real bastard.”

Nesbø has already received the Glass Key Award and the Booksellers’ Prize, Norway’s most prestigious literary awards. Nemesis is proof that there are certainly more honors in this extraordinary writer’s future. *Edgar Nominee for Best Novel of the Year

Angle of Investigation

Three Harry Bosch Stories *Allen & Unwin*

LAPD Detective Harry Bosch tackles three tough cases that span a legendary career in this never-before-collected trio of stories.

Shylock Is My Name

William Shakespeare's The Merchant of Venice Retold: A Novel *Hogarth*

Man Booker Prize-winner Howard Jacobson brings his singular brilliance to this modern re-imagining of one of Shakespeare’s most unforgettable characters: Shylock Winter, a cemetery, Shylock. In this provocative and profound interpretation of The Merchant of Venice, Shylock is juxtaposed against his present-day counterpart in the character of art dealer and conflicted father Simon Strulovitch. With characteristic irony, Jacobson presents Shylock as a man of incisive wit and passion, concerned still with questions of identity, parenthood, anti-Semitism and revenge. While Strulovich struggles to reconcile himself to his daughter Beatrice's “betrayal” of her family and heritage—as she is carried away by the excitement of Manchester high society, and into the arms of a footballer notorious for giving a Nazi salute on the field—Shylock alternates grief for his beloved wife with rage against his own daughter's rejection of her Jewish upbringing. Culminating in a shocking twist on Shylock’s demand for the infamous pound of flesh, Jacobson’s insightful retelling examines contemporary, acutely relevant questions of Jewish identity while maintaining a poignant sympathy for its characters and a genuine spiritual kinship with its antecedent—a drama which Jacobson himself considers to be “the most troubling of Shakespeare’s plays for anyone, but, for an English novelist who happens to be Jewish, also the most challenging.”

Her savings are depleted, her love life is nonexistent, and she cannot face another winter staring at the four walls of her shabby apartment. Dunbar

William Shakespeare's King Lear Retold: A Novel *Hogarth*

A reimagining of one of Shakespeare's most well-read tragedies, by the contemporary, critically acclaimed master of domestic drama Henry Dunbar, the once all-powerful head of a global media corporation, is not having a good day. In his dotage he hands over care of the corporation to his two eldest daughters, Abby and Megan, but as relations sour he starts to doubt the wisdom of past decisions. Now imprisoned in Meadowmeade, an upscale sanatorium in rural England, with only a demented alcoholic comedian as company, Dunbar starts planning his escape. As he flees into the hills, his family is hot on his heels. But who will find him first, his beloved youngest daughter, Florence, or the tigresses Abby and Megan, so keen to divest him of his estate? Edward St Aubyn is renowned for his masterwork, the five Melrose novels, which dissect with savage and beautiful precision the agonies of family life. His take on King Lear, Shakespeare’s most devastating family story, is an excoriating novel for and of our times – an examination of power, money and the value of forgiveness.

The Gap of Time

William Shakespeare' The Winter's Tale Retold: A Novel *Hogarth*

The Winter’s Tale is one of Shakespeare’s “late plays.” It tells the story of a king whose jealousy results in the banishment of his baby daughter and the death of his beautiful wife. His daughter is found and brought up by a shepherd on the Bohemian coast, but through a series of extraordinary

events, father and daughter, and eventually mother too, are reunited. In The Gap of Time, Jeanette Winterson’s cover version of The Winter’s Tale, we move from London, a city reeling after the 2008 financial crisis, to a storm-ravaged American city called New Bohemia. Her story is one of childhood friendship, money, status, technology and the elliptical nature of time. Written with energy and wit, this is a story of the consuming power of jealousy on the one hand, and redemption and the enduring love of a lost child on the other.

The Snow Leopard In 1973, Peter Matthiessen and field biologist George Schaller traveled high into the remote mountains of Nepal to study the Himalayan blue sheep and possibly glimpse the rare and beautiful snow leopard. Matthiessen, a student of Zen Buddhism, was also on a spiritual quest to find the Lama of Shey at the ancient shrine on Crystal Mountain. The result is a remarkable account of a journey both physical and spiritual, as the arduous climb yields to Matthiessen a deepening Buddhist understanding of reality, suffering, impermanence, and beauty.
