CD500 manual - Insignia Drivers UK Forum

I have a 2011 SRi Insignia, CD500 infotainment system. When I bought the car I was told it had Bluetooth, I didn't check for myself and saw the "answer call" logo on the steering wheel. Looked through the settings and it doesn't have bluetooth. It also doesn't support my Samsung Galaxy S3 via USB or lighter socket charger. I'm guessing I need to get it updated.
