Group Insurance - Google Books

If you're in the market for a car, one other factor to consider is its insurance group rating, as this can make a big difference when it comes to your premiums. How many car insurance groups are there? Prior to 2010, insurance groups ranged between 1-20, with the lowest being the cheapest to repair and insure. These were ditched and replaced with a wider 1-50 rating system to represent a ...
