Books Henry Mintzberg

In this sure-to-be-controversial book, leading management thinker Henry Mintzberg turns his attention to reframing the management and organization of health care. The problem

is not management per se but a form of remote-control management detached from the operations yet determined to control them.

Bedtime Stories for ManagersSKU: 978-1523098781. "Enough of heroic leadership, it's time for engaging management!" is the rallying cry from management and leadership giant Henry Mintzberg. He establishes this theme in the first story in the book, about the CEO of a failing airline who always flew comfortably in first class, blithely unaware of the terrible things happening with his customers in coach (in this case, being served famously inedible scrambled eggs).
