Move Your Stuff, Change Your Life *Simon and Schuster*

An essential and accessible guide to increasing happiness, improving your financial well-being, and bettering your health through the timeless Chinese art of feng shui. Promising health, wealth, and happiness, feng shui offers endless appeal—at least in concept. Unfortunately, feng shui’s seemingly complicated methods are often difficult to learn and apply in a meaningful way. Fortunately, Move Your Stuff, Change Your Life is written in plain and simple English for the modern Western reader. Revealing the ancient Chinese secrets that are as useful and necessary today as they have been for centuries, Move Your Stuff, Change Your Life communicates how to: · MEET “THE ONE” · FIND A DREAM JOB · EARN BETTER GRADES IN SCHOOL · ENJOY A BETTER SEX LIFE

Move Your Stuff, Change Your Life *Simon and Schuster*

Applying the ancient Chinese practice of feng shui to modern life, the author reveals how carefully arranging items in the home can lead to remarkable results in love, career, and personal happiness. Original.

Small Move, Big Change *Penguin*

"The most useful guide to getting things done since Getting Things Done." --Adam Grant, author of Give and Take Learn how small behavioral changes can lead to major personal and professional self-improvement Whether trying to lose weight, save money, get organized, or advance on the job, we’re always setting goals and making resolutions, but rarely following through on them. According to longtime Wall Street technology strategist Caroline Arnold, the “big push” strategy of the New Year’s resolution is designed to fail, because it broadly pits our limited willpower stores against an autopilot of entrenched behaviors and attitudes that is far more powerful. To change ourselves permanently, we need to focus our self-control on precise behavioral targets and overwhelm them. Small Move, Big Change is Arnold’s guide to turning broad personal goals into meaningful and discrete behavioral changes that lead to permanent improvement. Providing scores of engaging real-world examples and new scientific findings, she shows us that while the traditional resolution promises rewards on a distant “someday,” microresolutions work because they reward us today by instantly altering our routines and, ultimately, ourselves.

Who Moved My Cheese? *Penguin*

THE #1 INTERNATIONAL BESTSELLER WITH OVER 28 MILLION COPIES IN PRINT! A timeless business classic, Who Moved My Cheese? uses a simple parable to reveal profound truths about dealing with change so that you can enjoy less stress and more success in your work and in your life. It would be all so easy if you had a map to the Maze. If the same old routines worked. If they'd just stop moving "The Cheese." But things keep changing... Most people are fearful of change, both personal and professional, because they don't have any control over how or when it happens to them. Since change happens either to the individual or by the individual, Dr. Spencer Johnson, the coauthor of the multimillion bestseller The One Minute Manager, uses a deceptively simple story to show that when it comes to living in a rapidly changing world, what matters most is your attitude. Exploring a simple way to take the fear and anxiety out of managing the future, Who Moved My Cheese? can help you discover how to anticipate, acknowledge, and accept change in order to have a positive impact on your job, your relationships, and every aspect of your life.

It's Time To Make Your Move

Are you Sick and Tired of being sick and tired? Are you ready to strive for something different in life? If you answered "YES" to these two questions, then this book is for you! What holds you hostage from pursuing your dreams? If you have decided that the path that you are traveling on is leading you nowhere, then how do you find the right path? It's an inside job. That's right! It starts with changing your mind and believing that you can move forward in your life. It's Time To Make Your Move is designed to inspire, encourage, and motivate you to be courageous and take those first steps to change your life. Let's get started...

Chakradance *Hay House Audio Books*

Balance your chakras to improve your life, with the powerful 'moving meditation' of Chakradance. If you like the idea of yoga, but not the challenging poses, Chakradance is for you. If you like the idea of meditation, but find it hard to sit still for more than a few minutes, Chakradance is for you. If you know you've got old 'baggage' to release, but find 'talking therapy' too awkward for words, Chakradance is for you. We all want to achieve that wonderful state of 'well-being' in which we feel happier, healthier, more grounded, more balanced, more fully ourselves and more fully alive! With Chakradance, more and more people are finding a way to achieve this. Our chakras are our energy centers (subtle, invisible, but essential to life), that hold mind, body and spirit together. The practice of Chakradance activates, tunes and balances your chakras, to improve your life. Eastern philosophies have long known about the dynamic inter-relationship of mind, body and spirit, and the West, thanks partly to advances in the field of neuro-science, is quickly catching up ... hence the growth of yoga, of mindfulness, and a whole new world of well-being practices. In this book, Chakradance(TM) founder Natalie Southgate explains how this gentle yet powerful 'moving meditation' practice actually works, including examples and stories from her own life and the lives of Chakradancers all over the world. She demonstrates how working with your chakras, using music, movement and mandalas, can help you discover a deeper connection to your true authentic self, leading you to the most wonderful feeling of vibrant well-being. The book also includes links to downloadable chakra-specific music tracks and guided meditations so you can try it for yourself.

Give Your Speech, Change the World *Harvard Business Review Press*

Do you remember the topic of the last speech you heard? If not, you're not alone. In fact, studies show that audiences remember only 10% to 30% of speech or presentation content. Given those bleak statistics, why do we give speeches at all? We give them, says communications expert Nick Morgan, because they remain the most powerful way of connecting with audiences since ancient Greek times. But as we've evolved to a more conversational mode of public speaking, thanks to television, we have forgotten much of what the Greeks taught us about the nonverbal aspects of speech-giving: the physical connection with audiences that can create an almost palpable emotional bond. Morgan says this "kinesthetic connection" comes from truly listening to your audience—not just with your brain but with your body. In this book, he draws from more than 20 years as a speech coach and consultant, combining the best of ancient Greek oratory with modern communications research to offer a new, audience-centered approach to public speaking. Through entertaining and insightful examples, Morgan illustrates a 3 part process—focusing on content development, rehearsal, and delivery—that will enable readers of all experience levels to give more effective, passion-filled speeches that move audiences to action.

Switch *Currency*

Why is it so hard to make lasting changes in our companies, in our communities, and in our own lives? The primary obstacle is a conflict that's built into our brains, say Chip and Dan Heath, authors of the critically acclaimed bestseller *Made to Stick*. Psychologists have discovered that our minds are ruled by two different systems - the rational mind and the emotional mind—that compete for control. The rational mind wants a great beach body; the emotional mind wants that Oreo cookie. The rational mind wants to change something at work; the emotional mind loves the comfort of the existing routine. This tension can doom a change effort - but if it is overcome, change can come quickly. In *Switch*, the Heaths show how everyday people - employees and managers, parents and nurses - have united both minds and, as a result, achieved dramatic results: • The lowly medical interns who managed to defeat an entrenched, decades-old medical practice that was endangering patients • The home-organizing guru who developed a simple technique for overcoming the dread of housekeeping • The manager who transformed a lackadaisical customer-support team into service zealots by removing a standard tool of customer service In a compelling, story-driven narrative, the Heaths bring together decades of counterintuitive research in psychology, sociology, and other fields to shed new light on how we can effect transformative change. *Switch* shows that successful changes follow a pattern, a pattern you can use to make the changes that matter to you, whether your interest is in changing the world or changing your waistline.

Atomic Habits *Penguin*

The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Excuses, Excuses, Excuses -- *Human Resource Development*

"This book is about everyday excuses we hear for not giving excellent customer service and how to shoot those excuses

down"--Page 1.

How To Win Friends and Influence People *Simon and Schuster*

Updated for today's readers, Dale Carnegie's timeless bestseller *How to Win Friends and Influence People* is a classic that has improved and transformed the professional and personal lives of millions. One of the best-known motivational guides in history, Dale Carnegie's groundbreaking book has sold tens of millions of copies, been translated into almost every known language, and has helped countless people succeed. Originally published during the depths of the Great Depression—and equally valuable during booming economies or hard times—Carnegie's rock-solid, time-tested advice has carried countless people up the ladder of success in their professional and personal lives. *How to Win Friends and Influence People* teaches you: -How to communicate effectively -How to make people like you -How to increase your ability to get things done -How to get others to see your side -How to become a more effective leader -How to successfully navigate almost any social situation -And so much more! Achieve your maximum potential with this updated version of a classic—a must-read for the 21st century.

Heal Your Memories, Change Your Life *BalboaPress*

Do you ever wish that something in your life had turned out differently? Are there any memories that keep popping into your head? Do you wish that you could remember more? *Heal Your Memories, Change Your Life* takes you on an adventurous journey through your own memories and gives you the tools to heal from past hurts. Frank Healy, Licensed Professional Counselor, remembers every day of his life since he was six years old. He takes you through your past with exercises that help you remember more of your good times and let go of pain from the past. Whoever said that healing and therapy had to be painful? *Heal Your Memories, Change Your Life* is written with humor, inspiring stories, and exercises that will leave you feeling free to enjoy your life and move on to a happy and successful future.

The Gentle Art of Swedish Death Cleaning *Simon and Schuster*

A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning "death" and *städning* meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

Make Your Bed *Grand Central Publishing*

Based on a Navy SEAL's inspiring graduation speech, this #1 New

York Times bestseller of powerful life lessons "should be read by every leader in America" (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves—and the world—for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. "Powerful." --USA Today "Full of captivating personal anecdotes from inside the national security vault." --Washington Post "Superb, smart, and succinct." --Forbes

The Western Guide to Feng Shui *Hay House Incorporated*

Explains the principles and practice of feng shui and offers tips on room design for home and office to create harmony and contentment in life

Ring Shui, Move Your Rings CHANGE Your Life

Your New Story, Your New Life *Hope & Plum Publishing*

The Metaphysical Mind is the most powerful tool in your own self-improvement. Your Story is an amalgam of all that you believe and feel about yourself-right now.

The Life-Changing Magic of Tidying Up *Ten Speed Press*

#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series *Tidying Up with Marie Kondo*: the original guide to decluttering your home once and for all. ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

What Happened to You? *Flatiron Books*

#1 NEW YORK TIMES BESTSELLER Our earliest experiences shape our lives far down the road, and *What Happened to You?* provides powerful scientific and emotional insights into the behavioral patterns so many of us struggle to understand. "Through this lens we can build a renewed sense of personal self-worth and ultimately recalibrate our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our

very lives.”—Oprah Winfrey This book is going to change the way you see your life. Have you ever wondered "Why did I do that?" or "Why can't I just control my behavior?" Others may judge our reactions and think, "What's wrong with that person?" When questioning our emotions, it's easy to place the blame on ourselves; holding ourselves and those around us to an impossible standard. It's time we started asking a different question. Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry offer a groundbreaking and profound shift from asking "What's wrong with you?" to "What happened to you?" Here, Winfrey shares stories from her own past, understanding through experience the vulnerability that comes from facing trauma and adversity at a young age. In conversation throughout the book, she and Dr. Perry focus on understanding people, behavior, and ourselves. It's a subtle but profound shift in our approach to trauma, and it's one that allows us to understand our pasts in order to clear a path to our future—opening the door to resilience and healing in a proven, powerful way.

The Mountain Is You

THIS IS A BOOK ABOUT SELF-SABOTAGE. Why we do it, when we do it, and how to stop doing it-for good. Coexisting but conflicting needs create self-sabotaging behaviors. This is why we resist efforts to change, often until they feel completely futile. But by extracting crucial insight from our most damaging habits, building emotional intelligence by better understanding our brains and bodies, releasing past experiences at a cellular level, and learning to act as our highest potential future selves, we can step out of our own way and into our potential. For centuries, the mountain has been used as a metaphor for the big challenges we face, especially ones that seem impossible to overcome. To scale our mountains, we actually have to do the deep internal work of excavating trauma, building resilience, and adjusting how we show up for the climb. In the end, it is not the mountain we master, but ourselves.

Homo Luminous *Mike Frost*

David Werden wants nothing more than to lead a quiet, ordinary life. But his world is turned upside down when an unknown event changes the face of the planet. Realizing he cannot live alone in the ruins of the old world, and compelled by a strange internal force to reach the sea, he sets out on foot, carrying what he can, struggling against the harsh post-apocalyptic environment to search out others who may still be alive. Thrust into the leadership of a band of survivors, David struggles to scratch out the necessities of life while dealing with the staggering destruction and overwhelming sense of loss - and begins to understand the tragic and marvelous events that have occurred to the planet and to humanity itself. Finding love and betrayal, he must fight those who cling to the old world with all their strength and those who wish to stamp out the growing number of people coming to terms with their new levels of perception and insight into the Universal Mind.

Drive *Penguin*

The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of *When: The Scientific Secrets of Perfect Timing* Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction-at work, at school, and at home—is the deeply

human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

Use It

As eighteen-year-old Cheryl Hunter escapes rural Colorado for the bright lights of Europe, she does so with nothing more than an over-packed suitcase and a dream. Once there, her mind is bent on solving one problem alone: how does a small-town cowgirl pull off the feat of becoming an international supermodel? When Cheryl is abducted, raped and brutally beaten instead, she is faced with solving a much bigger problem: how does she survive? Using her journey of rising from the ashes as fuel, Hunter delivers a step-by-step method that can be applied by anyone who has ever dealt with less-than-favorable circumstances. In a world where—let's face it—life often hijacks our personal agendas, Cheryl shows you how to immediately take back the reins, design a life you love, and become the unstoppable force of nature you were born to be.

Change the Workgame *Createspace Independent Publishing Platform*

Research shows that diverse workgroups are more productive, creative and innovative than homogeneous groups. In a global marketplace, and with the rapidly changing racial makeup of America, having a high function, diverse workforce is imperative for your organization's success. Change the WorkGame has been designed to show you how establish a diverse workforce throughout all strata of your organization and how to sustain your progress. As a human resources executive, diversity and inclusion consultant, and a member of historically marginalized communities, I have experienced wildly unsuccessful diversity and inclusion strategies; and advised, coached, and led wildly successful diversity and inclusion initiatives. Business leaders and department heads have used the steps outlined in this how-to guide to successfully recruit and retain diverse talent. Chris, a small business owner, says, "the diversity recruitment steps listed in the book, matched with real life scenarios really helps bring to life not only how to go about recruiting and retaining a diverse workforce, but why it is important." I promise that if you follow the 7 steps outlined in Change the WorkGame, you will increase the diversity of your workforce within 6 months following the activation of the last step and you will increase employee satisfaction by enhancing your managers and the inclusivity of your workplace. Don't wait to activate your diversity initiative. Don't wait to make your workforce stronger, nimbler, more creative, and more dynamic. Don't wait to establish an inclusive work environment where everyone feels respected, appreciated and heard. Be the person to take the lead towards Change. If not you, then who!? The workforce diversity and inclusion strategies and scenarios you are about to read have been proven to create positive and long lasting results for leaders. These strategies will help ALL employees inside your organization, but will specifically help you recruit and retain underrepresented employees. Each chapter will give you new insights towards enhancing your workforce and your workplace. Let me show you how to be the Change for your company.

Grace Trail

No matter who you are No matter what you've been through Grace Trail(R) will connect where you are now with where you want to go. You can walk the trail anywhere, anytime, with anyone by just showing up and asking the questions shared in this book. Created by acclaimed life coach Anne Barry Jolles in 2012 to help her cope with the worry of having a son in combat in Afghanistan, Grace Trail has guided thousands of people to begin a simple conversation around joy, hope and resiliency. Plymouth, MA is the site of the original, beloved path, but it is not the only one. Grace Trail can be walked anywhere, from the comfort of the reader's kitchen to the office or any outdoor spot. Filled with easy to implement ideas, inspirational anecdotes, humor, compassion and realistic optimism, this book offers readers practical, immediate tools to take "5 Steps Toward Your Best Life.(R)" By asking and reflecting on key questions about the five components of GRACE - Gratitude, Release, Acceptance, Challenge and Embrace - you will find that you are walking off your worries and accessing hope. Move toward the life you were meant to live with Grace Trail. Grace Trail is the Trail that leads you back to you.

Tough Call

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision.

But First, Save 10

Major financial mistakes no longer have to be a rite of passage for adulthood. But First, Save 10 casts aside self-judgment budgeting, demystifies common financial jargon, and teaches a simple approach designed to yield abundance and joy. Plan retirement on your own terms and buck that unfulfilling job or start your dream business-this system is your ticket to a life of true freedom, however you define it. With a pay yourself first cash management system combined with automation, you'll accomplish what prior generations have collectively failed to do: 1. Save (enough) and invest to retire;2. Create, fund, and retain an emergency fund;3. Save for future expenses that bring joy, security, and freedom;4. Pay down debt aggressively and use debt sparingly and responsibly;5. Design a life with low fixed overhead; and6. Enjoy spending the rest. Finally, we have a sustainable routine, adaptable for any income at any life point-a system that offers the power to design our futures and define our destinies.

Turning This Thing Around *CreateSpace Independent Pub*

Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles-a debilitating arthritic disease, narcolepsy, anxiety and depression-the author

was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, Turning This Thing Around has universal themes that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so-and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in *The Glass Castle*, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in *Eat, Pray, Love*. Rather, Turning This Thing Around is a story of a normal young man's resiliency when battling extraordinary circumstances.

But I'm Not Depressed *Free Your Words*

Brain injury plunged Lia into a world of distortion and chaos, where her own thoughts and senses could no longer be trusted. Searching for medical help, she found doubt and manipulation instead. But I'm Not Depressed is a bleak but ultimately hopeful tale, and a slap in the face to the culture of psychobabble.

Known Shippable, Will Not Fix

A science fiction adventure exploring the tireless work of a minimum wage QA grunt trying to survive in sunny California.

Breaking Normal

Over the past decade of creating epic personal development retreats, Daniel Eisenman has traveled around the world experiencing beautiful, exotic settings and amazing people. His one big observation is that so many people keep the lid on their growth and opportunities to thrive. This is a self-imposed limitation ... nobody tells us to do this! Daniel blows the lid off and gives you a retreat experience in a book. What's inside Breaking Normal: ReWild Your Inner Child and Set the Truth Free? *You'll get to feel what it means to be raw and vulnerable, excited and glowing with a sacred knowledge about your future. *You'll learn to communicate with others in a way that cuts through the limitations we used to let entangle us. *You'll have tools and insight for building your own tribe, be it your family or community or the world at large.

Life A. D. (after David)

A book about two men in a very loving relationship. When one is taken away in a horrific accident the other is left to find his way through life and grief. Eighteen months of life reflections tracking the journey from loss to life.

Bridge To Healing

How to Write a Book in 24 Hours *CreateSpace*

Best-selling author James Green shares his own ground-breaking 6-step formula for producing top quality, highly successful non-fiction books in just 24 hours. 24 Hour Bestseller: How to Write a Book in 24 Hours will provide you with a 6-step writing blueprint that you can set on full 'rinse and repeat mode' providing you with a step-by-step recipe for writing success. After becoming disillusioned with his own writing struggles, the author decided to completely re-engineer the entire process, providing a plan for: generating and validating new book ideas; creating comprehensive book outlines; writing in a quick, easy and enjoyable way; publishing the completed books effortlessly. Inside 24 Hour Bestseller, you will learn: How to stir your creative

juices to constantly think up new book ideas; How to validate and evaluate your ideas for maximum profit; How to create a solid book outline that will make the writing process a breeze; How to turn your writing into a fun game; How to stay motivated; When to outsource (and when not to); How to craft your book title and description for maximum impact; How to publish your book to KDP easily; Book pricing strategies; And much more... If you've become overwhelmed and disillusioned with the whole writing process, this book will be your guide and your tonic, re-energizing your authoring efforts. You'll be more productive than ever, and most importantly, you will find writing enjoyable once again! Whether you're a complete novice and have never even written a book before, are struggling to come up with new book ideas, or are a seasoned author who simply needs some tips on how to write more effectively, then this book is for you. 24 Hour Bestseller will guide you step-by-step through the entire formula and get you authoring for success once more!"

Anxiety Warrior

Anxiety Warrior Volume One came from seeing so many people in my private practice looking for strategies to lower anxiety. Anxiety Warrior Volume Two has delved deeper into more resources, and shares heart-felt, heroic stories of people like us. Together they make a complete resource for managing and lowering anxiety.

What Ever It Takes *Enigma House Press*

For the small town of Watkins Forge, the worst thing to happen is a heavy snowfall. That is, until widower Cory Keller visits for an annual hunting trip. When he witnesses a murder in the nearby forest, no one believes him. With no corpse, and as the only witness, he is faced with convincing the towns sceptical sheriff

before the killer tracks him down to silence him. As he develops a friendship with an attractive waitress, Keller discovers that he is up against much more than a killer and he must not only save himself but the whole town. Mick Williams is the author of Amazon Top Ten title A Reason To Grieve, and the page turning adventure A Guy Walks Into A Bar.

Half Past Midnight *Createspace Independent Pub*

The Doomsday Clock gauges the threat of nuclear war. Currently, the clock is set at six minutes before midnight. What happens after the hands reach midnight? Survivalist Leeland Dawcett finds out when he and his family are plunged into the nightmare of their country returned to a third-world state. No phones. No computers. No television. At first, Leeland thinks basic survival is the answer. Until he crosses the path of the wrong guy... Someone who wants to do more than just survive...
