Test Results And Interview Guide

The two most popular competency based interview strategies recommended to candidates are the CAR method (context, action, result) and the STAR method (Situation, task, action, result). These strategies will be demonstrated in our example answers further in this guide, learn about how to use them now so you can master your answers.

Competency Based Interview (Guide with Example Answers)

2) Research the test. Some employers will give you the name of the test they're using. This is your chance to research it beforehand so that you're prepared for the questions it asks (such as whether it is ipsative or normative) and the traits it measures. 3) Keep calm. On the day, make sure you ask if there's something you don't understand.
